Philips closing local plant

250 to lose jobs

By JAYNE W. MILLER
News Editor

WILMINGTON - A Philips plant based in Wilmington is preparing to shut its doors in 2013, with an estimated 250 workers being laid off.

Philips Electronics North American Corporation notified Town Manager Jeffrey Hull and Selectmen in writing earlier this month about the "cessation of production" at the Philips-Lightolier facility located at 45 Industrial Way. The information was provided under the federal

Taxes: On the rise

Property tax rates increase 12%

By JAYNE W. MILLER
News Editor

WILMINGTON - Property tax rates will rise just over 12 percent next year following a unanimous vote of the Board of Selectmen to accept the recommendation of retiring Principal Assessor Humphrey (Skip) Moynihan. The new rates will continue to shift the maximum burden allowed by Massachusetts State Law to the Commercial, Industrial, and Personal Property (CIP) sector.

With the annual 2.5 increase allowed under Proposition 2 1/2 and a capi-

tal expenditure exclusion of \$2,942,080 (representing the portion of the new high school construction project included in the tax bill for 2013) the rate for residential property taxes will rise to \$13.61 per \$1,000 in valuation, up from \$12.14 in 2012. The \$1.47 increase represents a 12 percent rate increase for 2013.

For the CIP sector, the rate will rise to \$32.08 per \$1,000 in valuation from \$28.64 over 2012. Likewise, the \$3.44 increase represents a 12 percent rate hike.

According to the documentation from the Assessor's office, the average home-

owner in Wilmington with a valuation of \$347,457, will see an increase of \$413 in property taxes over Fiscal Year (FY) 2012. Homeowners with valuations at \$450,000 will likely see an increase of \$662.

By adopting Moynihan's recommendation, Selectmen also continued the practice of shifting the maximum allowable tax burden to the CIP sector. Of the \$3.45 Billion in property valuation in the town, 74 percent is in residential value and 26 percent is in commercial, industrial, and personal

Toys for Tots in Wilmington

By DAN HALL
Crier Correspondent

WILMINGTON - Frank and Karen West believe that when the holidays roll around, every kid deserves a present. Sadly, these harsh economic times limit the amount of toys that families can afford, and may even prevent families from taking part in the holidays. Toys for Tots seeks to correct this sad situation by raising money or accepting donations to make sure every child has something this December. Frank and

Karen West are holding a fundraiser to help this organization, and inject some holiday cheer into what would otherwise be a bleak and depressing winter for many of the area's children.

Toys for Tots has a long history. Originally created in 1947 by the United States Marine Corps Reservists, it has grown to become a massive organization that benefits and enhances the holidays for millions of children nationwide. At a selectman

Cocoanut Grove disaster killed 4 local brothers

By LARZ F. NEILSON
Editor Emeritus

WILMINGTON/ BOSTON - The name Cocoanut Grove will never be forgotten in Boston history, nor will it in Wilmington. On November 28,

1942, exactly 70 years ago, nearly 500 people perished in a matter of 15 minutes in the nation's worst-ever nightclub fire.

The exact toll was 492 dead, including the four Fitzgerald brothers from Wilmington

and the four women who accompanied them that evening. One of them was Mildred Rogers, the principal of the Silver Lake School.

Like many others who went

When Seniors Bully

A Workshop on Awareness

By DAN HALL
Crier Correspondent

WILMINGTON - When asked to think of what a bully looks like, most people would imagine an insecure middle schooler, or maybe a mean girl causing strife in High School. Workplace bullying is on the rise as well, so perhaps people might imagine an out of control boss screaming at them, or a catty and manipulative office worker trying to exclude someone. One place where bullying is not often assumed to exist is in the senior community. The elderly are often thought to be

above such pettiness, thought to be sagacious and wise. Sadly, this is not the case, and senior-on-senior bullying is a phenomenon on the rise.

According to the American Association of Retired People (AARP), some very common forms of senior bullying include exclusion, the formation of cliques, humiliation in the form of name calling or embarrassment, and direct confrontation. Women seniors are more likely to be passive aggressive and exclusionary, whereas male seniors are more likely to engage in

Cocoanut Grove disaster killed 4 local men

to the Coconut Grove that night, the Fitzgerald party had gone to the Boston College - Holy Cross game that afternoon at Fenway Park. The undefeated Boston College team was ranked number one in the nation, and a win would have sent them to the Sugar Bowl. But that was not in the cards. Holy Cross toasted the BC Eagles, 55 to 12.

The Fitzgeralds were celebrating the return of Henry Fitzgerald from Hendricks Field in Florida. Henry, 28, was a Private First Class in the Army Air Corps. He had four brothers, Eddie, John, Jim and Wilfred and two sisters, Anna and Mary.

Eddie was living in Chicago, and was not home for the event. But his four brothers decided to celebrate, and they each had a date that night. Jim, the caretaker at the Silver Lake School, was accompanied by Mildred Rogers.

John was an executive with the Boston and Maine Railroad, and was associated with Northeast Airlines, which the B&M owned at that time. Wilfred was in construction, building churches around New England.

Henry had brought an Army friend home on furlough. There were four others in the party as well.

The Coconut Grove was a popular night-spot on Piedmont Street in Boston's theater district. It was in a section of Boston called Bay Village, near the Statler Hotel, which is now called the Park Plaza. The Cocoanut Grove was a one and a half story building with a stage and a dance floor on the first floor and a lounge in the basement. The building, once a garage, was a block long and a half block wide. During Prohibition, which ended in 1934, it was a "speakeasy," an illegal bar.

By the time of the fire, it had been converted into a popular night-spot. The tropical decor, depicting a South Sea island, was highly flammable.

Ironically, the Boston College team had planned to go to the Cocoanut Grove that evening, but in light of their drubbing, they instead went to the Statler. But scores of fans from that game went to the Coconut Grove that night.

At the time of the fire, it is estimated there were 800 to 1000 people in the club, far in excess of safety codes. Indeed, the death toll exceeded the legal capacity of the club by 32.

Shortly after 10 p.m., as the showgirls were just starting down the stairs from their

dressings room for the second show, a busboy went to replace a light bulb in the basement lounge. Unable to see the socket, he lit a match. The flames quickly ignited the fake palm tree decor. Some patrons observed the fire and took it lightly, but the fire spread rapidly. In minutes, the nightclub became a smokey inferno, and when the lights went out, it became a screaming madhouse. And there was no way out.

The horrible loss of life that night was due primarily to the lack of exits. There were two revolving doors at the front of the club. There were other doors, but they were all locked. And with hundreds of people thrashing to get out, the revolving doors were quickly clogged.

Some chorus girls managed to escape, led to safety by a 19-year-old chorus boy, Marshall Cook. He broke out a window in a second-floor dressing room and led the way to an adjoining roof. Others managed to escape through the kitchen. Five people survived in the walk-in refrigerator.

Scores of ambulances rushed to the scene, but with the horrific toll, they were not enough. Newspaper trucks were pressed into service to carry the dead. Railway Express trucks. A makeshift morgue was set up in a nearby garage. Rescue workers forced their way into the nightclub to find corpses piled six or seven deep in a tangled mass at the revolving doors. Some of the dead were still sitting at tables, having been trapped and unable to move.

Martial law was declared in the immediate vicinity of the fire.

Scores of victims were taken to Boston hospitals, where they were lined up in corridors, many beyond help. There was a shortage of medical help, since many Boston doctors had volunteered for military service.

On Fitz Terrace in Wilmington, the telephone rang at 2 a.m. in the home of 71-year-old Mary Fitzgerald. The caller told her that her oldest son, James, was dead.

It was the beginning of a nightmare for Mary Fitzgerald, one from which she would never recover.

Soon after the 2 a.m. call, her two sons-in-law, Michael Barry, a deputy U.S. Marshall, and William Leahy, went to Boston to assist in the search. It was a mission of futility.

At 7 a.m., Mrs. Fitzgerald received word that Wilfred, too, was dead. Soon thereafter, she learned of the death of Henry. Sometime later, she learned that John, too, had succumbed.

Of the 13 people in the Fitzgerald party, there was but one survivor, Henry's Army friend, whose name is not known.

The body of James, the first to be named, was identified by James Gilligan, a teacher at Dorchester High School, who lived on Burnap Street in Wilmington. He was an air raid worker in Boston and answered a call for help that night.

Another man who answered the call was Fr. Albert J. Shea, a priest at St. James Church in Boston. He earned accolades for his work that night for his work among the dead and dying. Father Shea later became pastor of St. Thomas Church in Wilmington, where he served for many years before returning to St. James, where he later became a monsignor.

The funeral for the Fitzgerald brothers was held on December 1. There was a procession to St. Thomas Church, which was where the Wilmington Memorial Library now stands. A solemn High Mass was celebrated by their cousin, Fr. William Walsh of St. John the Evangelist Church in Swampscot. Fr. John Daley, pastor of St. Thomas Church was the deacon and Fr. John Saunders, the assistant pastor, was sub-deacon. Among the clergy present were Fr. John McGoohan, former curate of St. Thomas and Rev. Clyde Martin, pastor of the Wilmington Congregational Church, both of whom were chaplains in the U.S. Army.

Mildred Rogers was the daughter of Mr. and Mrs. Charles Rogers of Lowell. She served both as teacher and principal of what was then known as the Silver Lake School, along with a portable school building, which was nearby.

One year later, the school was dedicated in her name in a ceremony attended by a large number of persons. Her picture hung over the doorway of that school until it closed in the late 1970's. It was used as meeting rooms and as rehearsal space for a theater group for a few years, but was torn down after a fire in the early 1980s.

Her father presented a large check to the school nurse, Mrs. Esther Nichols, to start a fund called the Mildred Rogers Fund, to assist in the health and welfare of Wilmington schoolchildren.

As a result of the Cocoanut Grove tragedy, intense scrutiny was given to fire safety codes. Among the improvements were regulations that there be sufficient exits opening outward to evacuate the building, and that no flammable materials be used in decorations.

Matt Fregeau is working on his Eagle. His project is to reconstruct a campsite at Camp 40 Acres. The campsite needed two lean-tos rebuilt, and Matt's team also installed a new fire pit, flag pole, picnic table, and a display board containing site instructions and a map of Camp 40 Acres.

Now Mo' than ever

Sprouting on upper-lips everywhere, the 'stache makes a comeback for the better

By JAYNE W. MILLER
News Editor

WILMINGTON - TEWKSBURY - Body hair as a conduit for cancer awareness? Absolutely. The Moustache, or better yet, the 'mo', has ascended new heights of fashion and health consciousness in recent years with the advent of Movember, thirty days of mo' growing and raising awareness, and funds, for men's health.

Movember.com is the website that brings the mo' bros (men growing moustaches) together. The site is slightly tongue in cheek, makes the mo' fashionable, and for many, makes it easier to talk about cancer that specifically affects men, prostate and testicular cancer.

"The moustache is to Movember what the walk-a-thon is to breast cancer - both raise awareness and open dialogues for people to discuss health with their doctors," said one woman whose husband was recently diagnosed, and defeated, testicular cancer.

Moustaches are everywhere. On socks at a popular tween girls' retail clothing brand, on baby pacifiers, earbuds, straw toppers, Christmas tree ornaments, even on a British Airways plane. Really. Individuals and corporations are going all out to put their money where their 'stache is (sort of) and contributing to men's health research and prevention of prostate and testicular cancer.

Men that wish to participate register at Movember.com and start Movember 1st clean shaven. For the rest of the month, these selfless and generous men, known as Mo Bros, groom, trim and wax their way into the annals of fine moustachery. Supported by the women in their lives, Mo Sistas, Movember Mo Bros raise funds by seeking out sponsorship for their Mo-growing efforts. Mo Bros effectively become walking, talking billboards for the 30 days of November. Through their actions and words they raise awareness by prompting private and public conversation around the often ignored issue of men's health.

According to the Centers for Disease Control, testicular cancer occurs most often in men aged 20 to 39. Prostate cancer is the second most common cause of cancer death in men. All men are at risk for prostate cancer, but older men, African-American men, and men with a family history of prostate cancer have a higher risk.

According to the U.S. Department of Health and Human Services men are 24 percent less likely than women to have visited a doc-

tor within the past year. Men are also less likely to have lab tests conducted. When they do, it's often to check specific complaints rather than have routine tests. As a result, participation in men's screening programs is far lower than women's programs. Privacy, pride, fear, and socioeconomic factors are contributors to this phenomenon.

Privacy and pride can't save you from cancer but doctors

making those regular visits. In that case, patients must follow their gut and seek a second opinion. For some cancers, particularly testicular, the symptoms are not obvious. Nagging pain, heaviness in a testicle, lower back pain, can all point to a tumor. Advice from those who've been there: seek a second opinion, "You aren't married to your primary care doctor."

Finally, be sure to know your family history. So many cancers, including prostate, have a strong genetic component.

According to Memorial Sloan-Kettering Cancer Center "Family history is the strongest risk factor for prostate cancer. A man with one close relative (such as a father or brother) with prostate cancer has twice the risk of developing prostate cancer as a man with no family history. If two close male relatives (such as a brother and a father) are affected, a man's lifetime risk of developing prostate cancer is increased five-fold."

Prevention and early detection are the key to good health and a positive prognosis upon diagnosis. Waiting to see a physician until the symptoms of a disease appear often causes a host of problems: if disease is present, it may have spread, even becoming life-threatening if caught too late.

Waiting to see a doctor about those symptoms often comes with unintended financial costs directly attributed to the delay including the costs of hospitalization, surgery, testing, treatments and therapies, prescription drugs, follow up appointments, and more. Even having health insurance and short/long term disability through work can still leave a family swimming in medical bills from uncovered co-pays and deductibles.

According to the American Cancer Society, the average cost of a 30-day cancer drug prescription was more than \$1,600 in 2006 and it's even higher today. Many cancer drugs cost much more than drugs for other illnesses. Some of the newer cancer treatments can cost as much as \$10,000 for a month's supply. Usually co-pays for these drugs are much higher than other types of treatments.

Ultimately, the decision to save \$50 on a co-pay for a routine well-care check up can cost big bucks down the road. Take time for that annual visit and changes become easier to spot, and treat, in the long run.

However, sometimes a diagnosis is missed even when

Why is Movember important?

- In 2012, more than 242,000 men will be diagnosed with prostate cancer and more than 28,000 men will die from prostate cancer.
- One new prostate cancer case occurs every 2.1 minutes.
- A man dies from prostate cancer every 18.6 minutes.
- Prostate cancer is the most frequently diagnosed cancer in men after skin cancer.
- The incidence rates for prostate cancer are significantly higher in African American men.
- Prostate cancer is the second-leading cause of cancer death in men.
- 97% of prostate cancer cases occur in men age 50 and older.
- 1 in 2 men will be diagnosed with cancer in their lifetime, 1 in 6 men will be diagnosed with prostate cancer in their lifetime.
- Testicular cancer is the most common cancer in American males between the ages of 15 and 34.
- 1 in 270 men will be diagnosed with testicular cancer during their lifetime. -From Movember.com

NEXT YEAR'S PAYROLL TAXES
In 2013, the Social Security wage base is expected to be \$113,700, up from \$110,100 this year, Social Security Administration sources say. In coming years, that base is projected to keep going up - to \$117,900 for 2014, \$123,000 for 2015 and \$128,400 for 2016.
In addition to the usual FICA taxes, singles who earn more than \$200,000 and couples earning more than \$250,000 will owe a 0.9-percent surcharge on their Medicare taxes. In addition, unearned income will be hit with a 3.8 percent Medicare surtax for singles with a modified AGI of \$200,000 or couples whose modified AGI is \$250,000 or more. This tax on unearned income will apply to many trusts and estates with undistributed net investment income.
(Note: employers need to keep payroll tax records at least four years after the time that workers must file their tax returns for that year, including copies of W-4 forms, payroll tax returns and valuation of fringe benefits they provide.)

Letters to the editor

Miceli says Thanks

To the Editor:

I want to thank the voters of Tewksbury and Wilmington for their overwhelming support in the recent election. I will never forget you.

Thank you for the 15,717 votes you cast in my favor, giving me 74% of the vote, allowing me to continue serving as your State Representative.

I also want to thank all of you who helped to run the campaign, including those who organized and attended the fundraising dinner; put signs on their lawns; helped with the mailing; those who put ads together; and those who endorsed my candidacy in the newspapers.

As I have said many times before, "my commitment to public service has never been stronger, my ability to produce results never greater and my enthusiasm never higher." When I first ran for State Representative, I believed that my work ethic and my integrity would be my greatest tools. I was right.

After my years of service to you and for you, I have never forgotten who sent me to the State House and for whom I work.

Thank you for honoring me with your support.
Rep. Jim Miceli

Hospice care options

Dear Editor:

No one likes to think about death and dying, but it's something everyone has to face eventually. There's an incredible resource in our community that provides comfort, dignity and respect to all those coping with a serious or life-limiting illness. It's VNA Care Network & Hospice.

November is National Hospice and Palliative Care Month, a time to reach out to our community to raise awareness about this compassionate care.

One of the most important messages to help people understand is that hospice helps patients and families focus on living.

The hospice team provides expert medical care to keep patients comfortable and able to enjoy time with loved ones. The hospice team answers questions, offers advice on what to expect, and helps families with the duties of being a caregiver. The team also provides emotional and spiritual support

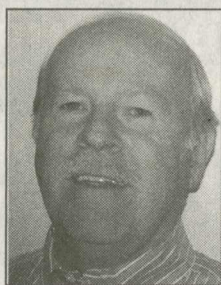

for the entire family.

Hospice is covered by Medicare and most insurance plans and HMOs. Hospice care is provided in the home, nursing homes, assisted living facilities, and our hospice residences in Cambridge, Needham, and Worcester.

Hospice care is available to people of all ages, with any illness. Hospice professionals and trained volunteers will ask you what's important and listen to what you say. They make your wishes a priority.

If you or a loved one is facing a serious or life-limiting illness, the time to find out more about hospice and palliative care is right now. People can receive a free copy of the guide "Choosing Hospice" by contacting VNA Care Network & Hospice at 800-728-1862 or info@vnacarenetwork.org.

Sincerely,
Pat Kennedy, RN, director of hospice

Environmental Notes

by George R. Allan

Environmentalism gone wild

Here on Planet Earth, people have been concerned about their environment for centuries. But it wasn't until the 1960s that the environmental movement, as we know it, took root. The seminal moment was the publication of "Silent Spring" by Rachel Carson in 1962. The book turned the spotlight on pesticides and their adverse effects on birds, animals and humans. It is credited with getting DDT eventually banned.

Since then significant laws have been enacted to improve our air and water. There was the formation of the Environmental Protection Agency (EPA) in 1970 and the Clean Water Act and the Clean Air Act to name but a few; all done with the noble goal of preserving our environment for future generations.

But somewhere along the way, things went off the track. The environmental pendulum over the last 50 years has swung too far to the extremist viewpoint. We now have "instant environmentalists" who bathe themselves frequently in the holier-than-thou waters and proclaim some new environmental disaster is at our doorstep. They read a book or attend a seminar and all of a sudden they are the self proclaimed environmental conscience of the community. We don't need to look any further than the town of Brookline, for example, where plastic grocery bags have been banned.

Every time a politician has an environmental anxiety attack, we end up with a new regulation to correct some perceived crisis. Pseudo-environmentalists generate hysteria, which many times the media buy into and give these groups a lot of ink. If you peel back the layers of some of these movements, you will often see that slowing growth is a driving force.

The layer upon layer of federal, state and local environmental regulations can extend the planning, design and construction of many good projects. The average person often wonders why it takes so long to complete construction projects and why they are so expensive. Too often there are small groups that can play the environmental regulatory system and slow progress, increase costs and sometimes kill a project.

One of the most important local engineering feats of the 20th century was the construction of the Quabbin Reservoir and aqueduct system, which supplies drinking water to mil-

lions of people in the Greater Boston area. It also partially supplies Wilmington on an intermittent basis during the summer. Without this water system, Boston would not be the economic engine of New England. If you think this type of project could ever be built today, you have spent too much time in Disney World.

Environmental permits and lawsuits would tie up construction for decades.

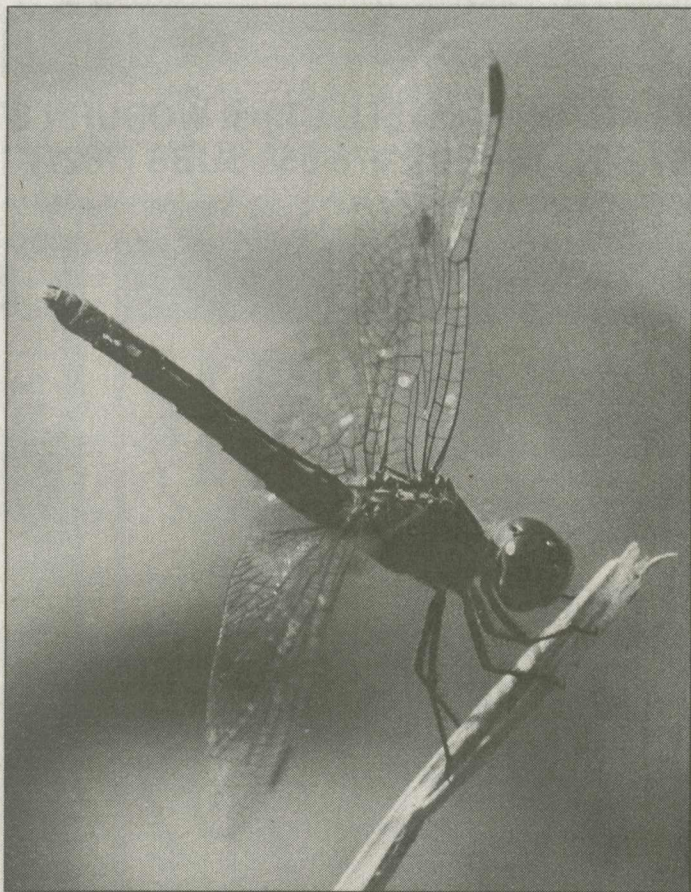

Some examples of environmental regulations gone overboard are actually amusing. A few years back there was a town on Cape Cod that proposed constructing a new well near one of the many kettle hole ponds that exist on the Cape. Seemed pretty straight forward. But apparently the well site was home to a particular species of dragonfly. As a result, the town was required to postpone construction until after mating season. For those of you unfamiliar with the sex life of dragonflies, mating season runs from late spring to mid-summer. The town got its well a little later than planned but it was reported that there were abundant dragonflies that year.

Turtles also have been known to slow construction.

Woe to the builder who has a site that is classified as a habitat for an endangered turtle. Say hello to endless surveys, permits and delays. Indeed the project may be infeasible.

Of more significant importance, is a crusade by watershed associations to reduce the current amount of water that can be pumped by municipal wells. Their argument is that wells have the biggest impact on streamflow and fluvial fish and they want the state to set a minimum flow for streams and rivers. The net effect for many municipalities will be less pumping of their wells and more restrictions on water usage by residents- think Water Ban. Massachusetts water departments disagree with the proposals and the data being used to justify the restrictions. Stayed tuned to see how this plays out.

Personally, based on my education in environmental engineering and my professional experience in the field, I think we need to move the environmental pendulum back toward the middle. Like most things in life, including politics, the overwhelming majority of people are not at either extreme but in the middle. We need to strike a balance between real environmental concerns and society's needs.

Letters to the editor

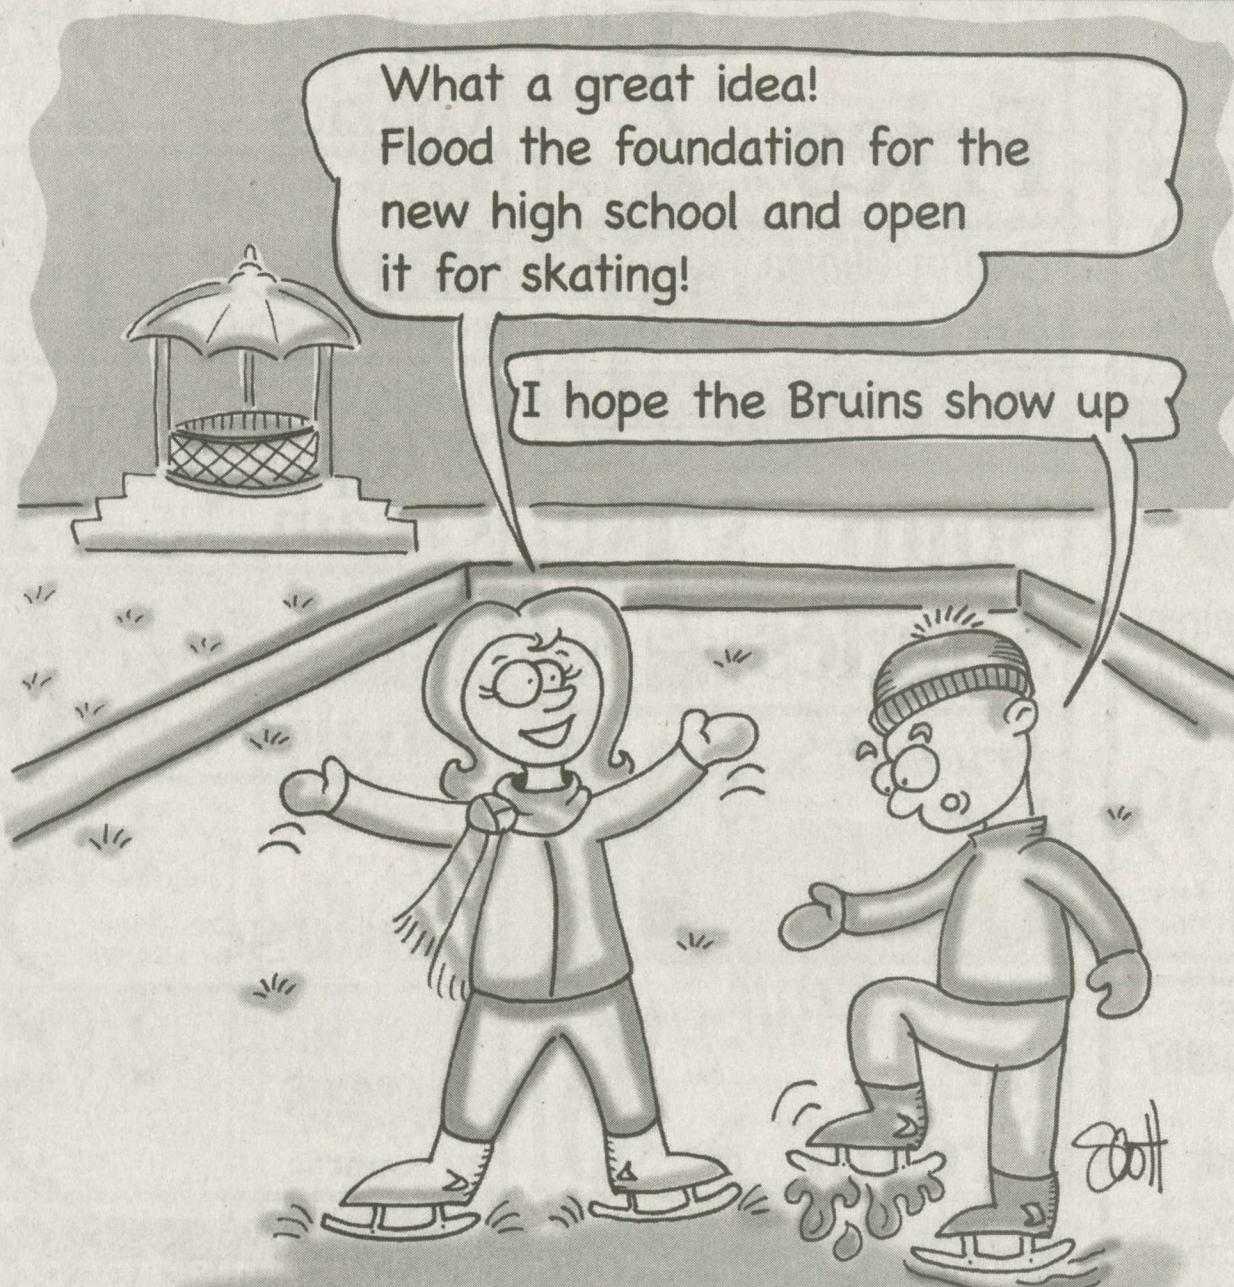

Thank you

Dear Editor:

On July 6, 2012 my home was destroyed by a fire. I want to thank the Tewksbury Firefighters as well as Firefighters from the surrounding towns for doing their best in saving what they could of my home. I

am grateful for all that they did and I am extremely fortunate that the South Tewksbury Fire station had been opened.

Thank you again,
June Farese and Family

Dickens' A Christmas Carol

TEWKSBURY - Don't miss this fantastic production of a Christmas classic. Take the kids to see the TMHS Players Present "A Christmas Carol" this week-

end. Show times are Thursday evening, 11/29 at 7pm, Friday evening, 11/30 at 7pm, Saturday afternoon, 12/1 at 2pm, and Saturday

evening, 12/1 at 7pm and Sunday afternoon, 12/2 at 2pm. General Admission tickets are \$10 each, Children and Senior Citizen tickets are \$7 each.

Peter Warren earns Eagle Scout

WILMINGTON - On November 18th, Peter Warren celebrated his achievement of earning Eagle Scout Rank. Peter achieved the rank after a successful completion of his community service project. His project involved the reorganization and cataloging of donated medical equipment at the Buzzell Senior Center's POD and basement in Wilmington.

Peter's project gave him the opportunity to show his leadership as he planned and executed a successful fundraising event as well as his organization of volunteers to see the project through to completion. Mrs. Mancello, the director of the senior center was very much impressed and appreciative of Peter's effort and the hard work of all the Boy Scouts.

Peter's ceremony was held at Villanova Hall of St. Thomas Church. Family as well as fellow scouts and leaders attended the ceremony. Peter was honored by the town manager, Jeff Hull and Mr. Barry Pett, representing the office of Senator Bruce Tarr. Peter also was

presented with a State Flag and citation by his brother, Joe Warren, on behalf of State Representative James Miceli's office.

Peter is a senior at Wilmington High School and is looking forward to attending college next fall.

Deming Way Christmas Craft Fair

WILMINGTON - On Saturday, December 1, 2012 at 9:00 am -2:00 pm, the Deming Way Tenants Association will be holding their annual Christmas Craft Fair at 41 Deming Way, Wilmington, which is located off Burlington Ave, Route 62. There will be two great raffles, baked goods, a new assortment of great handmade crafts, knit and crocheted items, knickknacks, jewelry, and

many other interesting items. Coffee and donuts will also be available.

The Deming Way Tenants Association is a non-profit group. The proceeds will be used for day trips and other events for the residents.

The public is invited to this amazing fair. Please remember to bring a donation for Toys For Tots.

Holiday Drop-Off for Wilmington Food Pantry

On Friday, December 7th the Wilmington Chamber of Commerce will hold their 4th Annual Member Appreciation Holiday Luncheon at Windsor Place of Wilmington from 12 noon - 1:30 p.m.

Once again the Chamber and its members have committed to providing 60 canned hams to the Wilmington Food Pantry for holiday food packages to Wilmington residents in need.

A greater number of Wilmington families need our help this year so if you would like to donate to this worthy cause, please drop off a canned ham prior to December 7th at Windsor Place of Wilmington Assisted Living, 92 West Street.

Together we can ensure everyone in Wilmington has a happy holiday!

Donna, prior to surgery in 2011

Donna in 2010

Donna in 2012

After one of her four sisters successfully underwent gastric bypass surgery in 2010, 51-year-old Donna finally realized that it was time to deal with her own weight issues. She had high cholesterol, high blood pressure that even two medications couldn't control, and she was borderline diabetic.

Donna underwent a relatively new weight-loss surgery called gastric sleeve gastrectomy in July 2011. Since the procedure, she has lost 90 pounds, with 40 more to go to achieve her goal weight. She's lost six sizes, her cholesterol, blood sugar and blood pressure are completely normal, and she walks for 40 minutes, four days a week.

"I'll walk by a window, catch my reflection, and stop and ask, 'Who is that person?'" Donna says. "I remember her, but she'd been gone for so long. It's not just about losing weight; it's about gaining back my life."

Tewksbury Town Wide Auction a Big Success!

TEWKSBURY - The first Tewksbury Education Foundation School Wide Auction was held at the Tewksbury Country Club on November 15, 2012 from 7-11 pm. The auction was the inaugural event for the recently established Tewksbury Education Foundation. The collaborative effort on the part of the community, the organizational work of the auction committee, the creative talents of the school staff, the leadership of the school administration and school committee and the generosity of families, friends, and numerous businesses resulted in raising over \$30,000.00. The funds generated through the auction will be utilized for enhancing technology for all schools.

The Auction consisted of 13 live auction items, 100 silent auction items, over 50 raffle items and TMHS Memorabilia. A special thanks to all those who contributed in so many different ways. Four major sponsors supported the foundation's auction: Dick Insurance Agency, John T. Forcelles Memorial Fund, Trull Brook Golf Course & Tennis Center and the Tewksbury Country Club. Interment, will be at the Oak Grove Cemetery.

Virginia M. Dowler

Worked at the St. Thomas Rectory

WILMINGTON - Virginia M. Dowler, age 81, passed away peacefully at the Community Hospice House in Merrimack, New Hampshire, surrounded by her loving family, on Sunday, November 25, 2012. She was the beloved wife of the late Robert P. Dowler and prior to his passing in 2009 they shared fifty-seven years of marriage.

Born in Stoneham, she was the daughter of the late Mary (Martell) and Howard Shannon. Virginia was raised and educated in Medford and was a graduate of Medford High School. Following high school she began work at Stone & Webster Engineering where she met her future husband. After her marriage they settled in Medford to raise and care for their six children. During that time Virginia worked at Montvale Plaza in Stoneham along side her family and many dear friends. They later moved to Wilmington, where Virginia worked at the rectory of St. Thomas of Villanova Church in Wilmington.

In her leisure time she enjoyed sewing, gardening and playing cards with her longtime friends. However, her greatest joy was being a grandmother and spending time with her family. In their retirement, Virginia and Robert enjoyed the company of their children and grandchildren and shared many memories at their York Beach home in Maine.

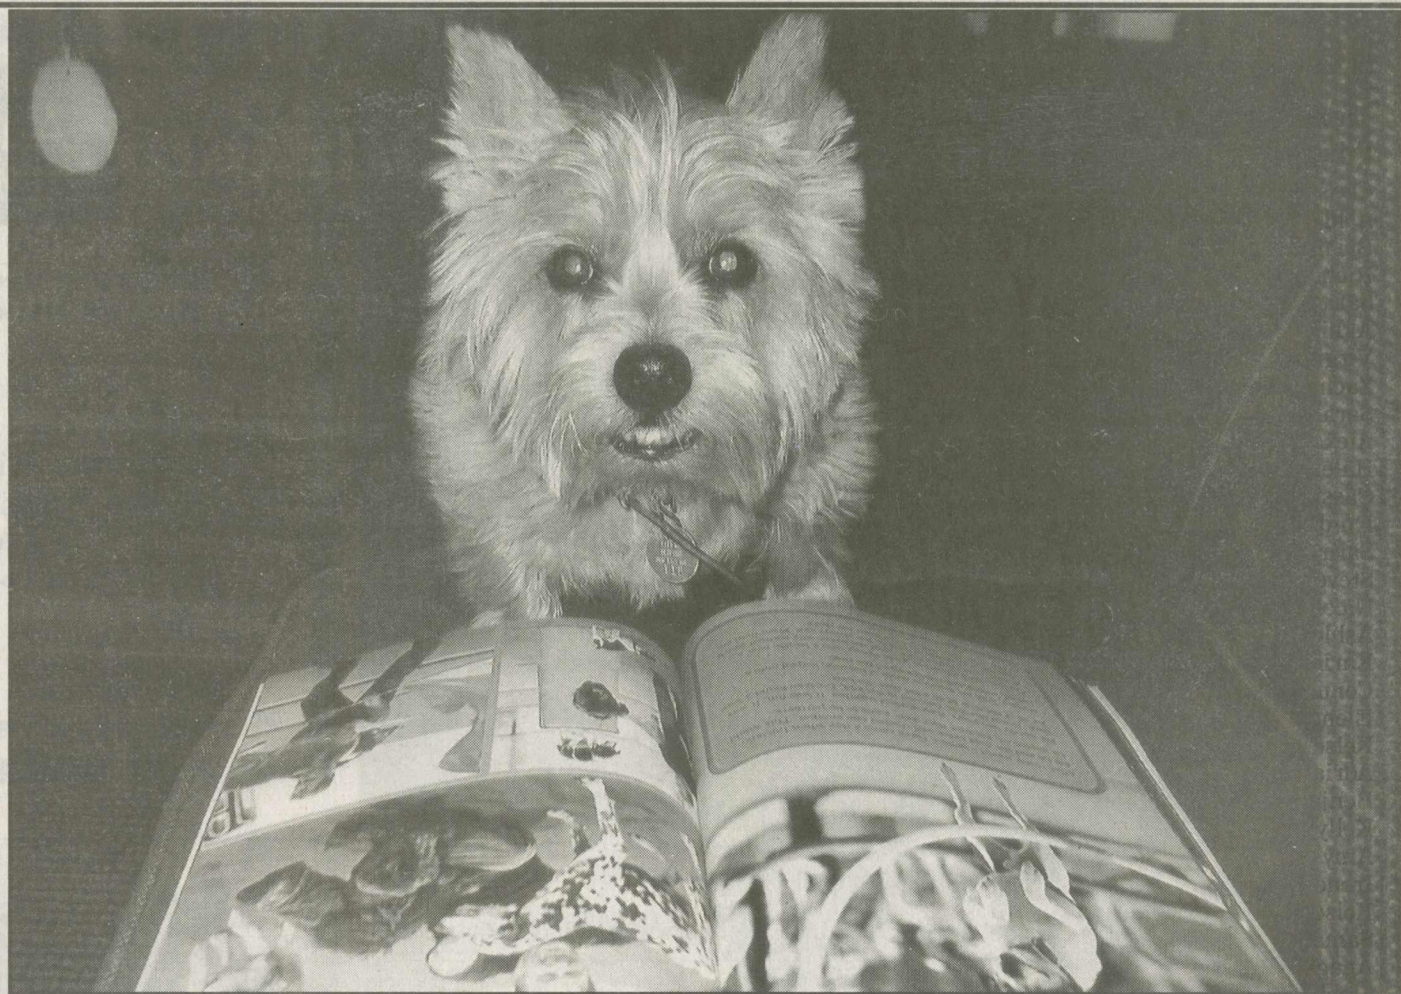

She is survived by her devoted children, Maureen Maffeo and her husband Daniel of Illinois, Keith Dowler and his wife Cheryl of Medford, Robert W. Dowler and his wife Anne of York, Maine, Kenneth B. Dowler and his wife

Deborah, David M. Dowler and his wife Kelly all of Medford and Pamela J. Machado and her husband David of Dunstable. She is also survived by 14 loving grandchildren, 2 loving step grandchildren and 2 loving great grandchildren. She was the sister of Lorraine Wheeler and her husband Larry of Biddeford, Maine, the late Howard C. Shannon and Barbara M. Shannon.

Funeral services will be held from the Dello Russo Home, 374 Main St. Wilmington on Friday, November 30, at 10:30 A.M. Followed by a funeral mass celebrated in St. Thomas of Villanova Church, 126 Middlesex Ave. Wilmington at 11:30 A.M.

Relatives and friends are respectfully invited to attend. Visiting hours at the Dello Russo Funeral Home will be held on Thursday from 4 thru 8 p.m. Services will conclude with burial at Wildwood Cemetery, Wilmington.

In lieu of flowers expressions of sympathy may be sent in Virginia's memory to the Susan G. Komen Breast Cancer Foundation, 89 South St. Suite 406, Boston, MA 02111. To leave a message of condolence dellorusso.net

New Rep. Ken Gordon to hold forum

Town Hall 7 - 9 p.m. December 11

WILMINGTON - Ken Gordon, who will be sworn in as the State Representative for the district that covers Precinct 3 in Wilmington, will host a town hall forum December 11, 2012 at the auditorium in the Wilmington Town Hall from 7 to 9 p.m.. Everyone is welcome.

"I am very excited to hear from the people of the third precinct in Wilmington," said Gordon. "I want to hear the thoughts and concerns of the residents, and how they feel their state representative can help."

Gordon was elected to the position in his first run for elected office. He is a resi-

dent of Bedford and serves as vice-chairman of the Zoning Board of Appeals and the chair of the Cultural Council. He is an attorney, specializing in representing employees suffering workplace harassment or wrongful discharge. He also represents small business in commercial disputes.

Gordon expects to briefly address the public and remain available for questions or comments. He will be accompanied by his legislative aid, Wilmington resident Rob Peterson, himself a newly sworn-in lawyer.

Thermo Fisher Scientific wins Economic Impact Award

MassEcon winners selected based on job growth, facility expansion, and community involvement

BOSTON, Massachusetts - November 21, 2012 - MassEcon held its Ninth Annual Team Massachusetts Economic Impact Awards luncheon on November 20th at 12 noon at the Seaport Hotel in Boston. Companies from across the Commonwealth were recognized for their outstanding contributions to the Massachusetts economy. Over 400 people attended the event, including featured speaker Governor Deval Patrick, Secretary of Housing and Economic Development Greg Bialecki, and award presenter WCVB-TV, and Channel 5's long-time news anchor, Anthony Everett.

"These and many other stories of investment and partnership are stories of shared success -- just as we have invested in these MassEcon award winners, they have invested in us and the Commonwealth by growing jobs and facilities across the state," said Governor

Deval Patrick.

The winning companies (listed below) were selected after a reception with their competitors and judges at an afternoon event at the UMass Club in Boston. The reception enabled senior executives from the companies to present their attributes in the categories of job growth, facility expansion, investment and community involvement since January 1, 2011.

The growth stories of the winning companies are all unique and represent a broad range of industries - including defense, software, information technology, manufacturing, life sciences, robotics, and consumer products.

"The commitment these companies make in Massachusetts have long-term economic impacts which are vital to the continued growth of the Massachusetts economy. MassEcon is proud to celebrate these companies for

staying and growing here," stated Susan Houston, Executive Director of MassEcon.

Winners, representing companies from Boston to Springfield, include: Ninth Annual Team Massachusetts Economic Impact Award Winner

Tewksbury Senior Topics

Christmas Dinner 12/7; Edwards Twins 12/9; Carnation Belles 12/13

Please note that due to other community events the Senior Center Sunday Breakfast scheduled for this coming Sunday, December 2nd has been CANCELLED.

Mike McDermott shall hold the Mens Group at the Senior Center this Thursday, November 29th at 9:00 AM. Why not come on down and have a cup of coffee and chat with the guys...its a great group.

The Festival of Trees at the Tewksbury Library will be held this Friday, November 30th from 6:00 to 8:00 PM. The evening includes several chorus groups, tree displays and fun for the youngsters. It should be noted that tree displays can be seen throughout the month of December during regular Library hours. Look for the Senior Center tree...its has another "different look" this year.

At 7:00 PM this Friday the "Lighting of the Town Common Tree Lights" will take place. Jolly Olde Santa will be arriving to greet the children and conduct the count down right after the Library Director, reads a Christmas story to the children. On this same evening the Congregational Church will hold its holiday pie event. So if your wondering what to do this Friday evening...just mosey on down to the Library, then the Common and the church...for a full and exciting holiday season beginning.

If that's not your cup of tea, so to speak, come on over to the Senior Center

where they'll be some stomping of feet and dancing at the Senior Center Country Western Dance, this Friday, November 30th from 7:00 to 10:00 PM. Tickets are \$10 and available at the door. Music is being provided by the John Penny Band. Yeehaw...what a night.

Tickets are also available for the following holiday events:

The COA and Friends will hold the Senior Center Christmas Dinner on Friday, December 7th. The ticket cost is \$15 and includes a buffet dinner catered by the Village Inn and dancing to the sounds of the Perfect Match Band. Please note that ticket sales will end on November 30th.

On Sunday, December 9th, the the Edwards Twins will be back in Tewksbury at the Senior Center to perform their Christmas Shows. A matinee will be held at 1:00 PM and an evening show at 6:00 PM.

Tickets are \$30 per person and going fast. These shows are open to the general public and are guaranteed to be enjoyed by all. The twins, Tony & Ed, are celebraty impersonators who appear as male and female stars. They sing and look so much like the stars themselves and are know in Las Vegas and locally from their appearances at the Stoneham Theatre and other area venues. This take is well worth your dollars and will be one you'll long remember.

Then on Thursday, December 13th, the Red Hat

Carnation Belles will hold their Christmas Dinner.

Tickets are \$25 per Belle and must be purchased by December 5th. The event includes a plated dinner and entertainment by the "Uptown Girls"...a most entertaining duet.

And, if your looking for somewhere special to go on New Years Eve, the Senior Center is the place.

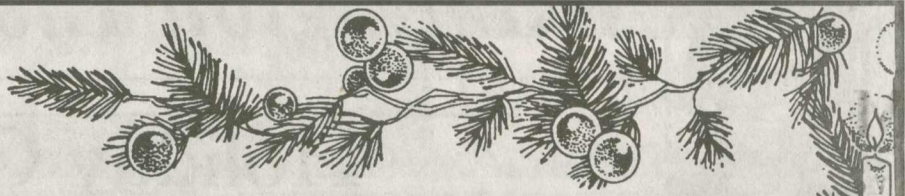

Tickets are \$50 per person and the evening includes a buffet dinner at 7:00 PM catered by the Village Inn. Dancing to the Perfect Match Band will follow. Why not bring in 2013 with good friends and join us on, Monday, December 31st... New Years Eve...a good time is on the agenda.

The COA is now assisting Tewksbury Senior Citizens with Fuel Assistance applications.

To obtain information on the fuel assistance program and/or to schedule an appointment call 978-640-4482. The eligibility guidelines are: one person household up to \$31,218; two family household up to \$40,824; family of three \$50,515; and, family of four \$60,035. There are further guidelines for larger families. Younger families may call the Billerica Veteran's Agent at 978-671-0968 or Community Teamwork at 978-459-6161 for information and assistance. Every little bit helps these days so don't hesitate to apply if you qualify.

Hopefully everyone had a great Thanksgiving.

Enjoy the week and God Bless America.

Financial Checklist For Year End

The end of the year is a great time to sit down and review your overall financial situation. Are you on track for retirement? Have you checked to see if the beneficiaries on your retirement accounts are correct and up to date? If you're 70½ or older, have you sorted out your Required Minimum Distributions for the year? Taking control of your finances is more important now than ever. Here are a few tips to help you get a jump on the new year.

COMMONWEALTH
financial network

- Consolidate your old 401(k) Plans
- Make an annual IRA Contribution
- Review your Financial Goals
- Conduct an Investment Review
- Harvest Tax Losses and Gains
- Open a College Savings Account
- Update your Estate Plan

If you would like to discuss any of these topics further, call Bob Esdale or Dan Esdale to set up a complementary initial consultation.

Taxes on the rise

CONTINUED FROM PAGE 1

property value. However, residents only shoulder 55 percent of the tax levy, while the CIP sector picks up 45 percent of the total levy.

Despite the rate increase, residents will see a slight decrease in property values of approximately 2 percent. In 2010, the last triennial revaluation, property values dropped seven percent, thus Moynihan sees this lower drop as a sign of stabilization in the market. Further, he stated that new growth increased \$1.1 million up from just \$842,851 in 2012. The town averaged \$1,007,320 in new growth annually calculated over the last ten years.

"In 2010, when we did the last valuation, residential values had dropped 7 percent. We've seen them drop 2% this year but at the same time, we built 27 homes, last year 30 homes, and the year before 28 homes. I would say the real estate market in Wilmington is healthy. We have a few problem properties, and those tend to tip the scale, but in terms of real estate development, it's going strong," said Moynihan.

Residential property represents \$2,569,767,481 or 74.4 percent of the total valuation.

Commercial property is 4.2 percent, while Industrial is 18.9 percent (at \$650M) and personal property stands at 2.5 percent. However, residential valuation dropped \$56.8 million, industrial property decreased \$21.3 million, and personal property decreased \$1.03 million, while commercial valuations increased \$1.34 million.

The town currently has \$11.5 million in free cash reserves.

Selectman Mike Champoux asked Moynihan to explain how rates can increase even while property values drop.

"That is one of the most common questions we get and one of the cruelest jokes we play on people," responded Moynihan. "The value of your investment in this vehicle, the town of Wilmington, has dropped slightly. The variable is the tax rate. Our costs are fixed.

"If values come down, the tax rates go up to compensate for that drop in value," explained Moynihan.

"That makes perfect sense. At the municipal level we're where the rubber meets the road. I'm glad Wilmington is in the position to use that maximum shift. We have taken full advantage of that shift and I will do so again,"

said Champoux.

Moynihan told the Crier Tuesday that the rates include \$2,942,080 in borrowing for the new high school project, currently not under construction due to delays engendered by multiple environmental appeals. The total projected cost for the high school is just over \$80 million, with \$44 million the responsibility of Wilmington taxpayers.

Moynihan stated that if the high school debt exclusion was not included in this year's tax bill the increase for the average homeowner would be \$193. The high school portion adds \$220 to the bill this year.

Voters overwhelmingly approved the new Wilmington High School project last year with 76 percent of voters at the special town election and 85 percent of voters at the special town meeting approving the measure.

At the June and October 2011 public forums, estimates for the range of tax increase attributable to the high school project for the average household (valued then at \$357,066) would be \$151 - \$171 annually with the first year being closer to \$239 and the final year being \$95.

Toys for Tots in Wilmington

CONTINUED FROM PAGE 1

meeting last week, Staff Sergeant Joseph Gaddi gave a brief summary of the program and the good it does. "65 years ago our program started with one toy. Last year we distributed over 150,000 toys within Middlesex and Essex counties. The support we get from the town of Wilmington is phenomenal. It's a good way to give back to the community. All the donations we get in toys and monetary donations go back to people in our town and in

the community."

At the event, which is in its sixteenth season, for the price of a toy or a cash donation, children will have the opportunity to get their pictures taken with Santa Claus and his merry band of elves. Parents of these lucky children will receive a cd with photographic memories of their child's experience with the magical king of Christmas. Radio station AMP 103.3 will be present, playing festive music to get everyone in the mood for the

holiday days, and will offer a few games as well. The Marine Corps will be present answering questions about the Toys of Tots program. There will even be free refreshments and perhaps a holiday surprise or two as well.

The event will be held on December 2nd from 12-4PM at West Real Estate, 386 Main Street, Wilmington. Details about the event can be found on WESTRE.com, or by calling 978 658-4419.

Lightolier plant to close

CONTINUED FROM PAGE 1

Worker Adjustment and Retraining Notification Act ("WARN").

In the letter, Philips states that manufacturing operations will cease production and affected employees, or all of those positions at the facility, will be permanently terminated with "no future expectation of employment with Philips."

Terminations will begin in or about January 2013

and conclude in October 2013. Employees already know, or soon will, their termination dates.

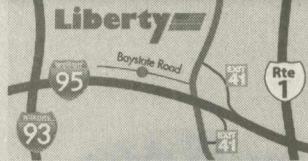

Bumping rights may exist for Union employees but none will apply to non-union employees. The Union affected is the International Brotherhood of Electrical Workers AFL CIO Local number 1499.

Founded in 1904, Lightolier manufactures lighting equipment. The Wilmington plant manufactured fluorescent light fixtures.

Workers were informed of the closure two weeks ago.

Lightolier's headquarters were moved to Fall River, MA in 1994. The business is under a twenty-year Tax Increment Financing (TIF) agreement with that City. Seasonal layoffs announced at that plant earlier this year raised questions about the usefulness of TIF for businesses that then lay off workers.

Lots of Love Cat Rescue

Snuggle with Zahra the 'Cashmere Kitty'

WILMINGTON - Ahh, the cozy feel of cashmere, so welcoming when winter comes. You can have that feeling now, with Zahra, as she lovingly snuggles in your lap, tempting you to pat her luxurious soft fur. This sweet snow-white beauty, with a smattering of gray between her ears and tail has stunning emerald eyes with a touch of blue.

Zahra is not just all looks though, she possesses an affectionate, laid back personality. Not the talkative type, rather her meows are more of an adorable little squeak. Zahra looks and behaves like a Turkish van breed, known for intelligence and desire to be with people, some describing vans as "dogs in a cat suit".

Zahra was rescued from a hoarding situation and during her spay surgery, she developed a severe infection. However, she was an excellent

patient throughout her month long recovery. Zahra does wonderful with the two other foster cats who share her room and is just learning what it means to play. She didn't seem to mind dogs when seeing them at her foster home, so should be fine if introduced slowly. Oh how this cat loves to be held and loved on. Won't you consider letting our cashmere kitty wrap snugly around your heart?

When Seniors bully

CONTINUED FROM PAGE 1
direct confrontation and even physical fighting in rare cases.

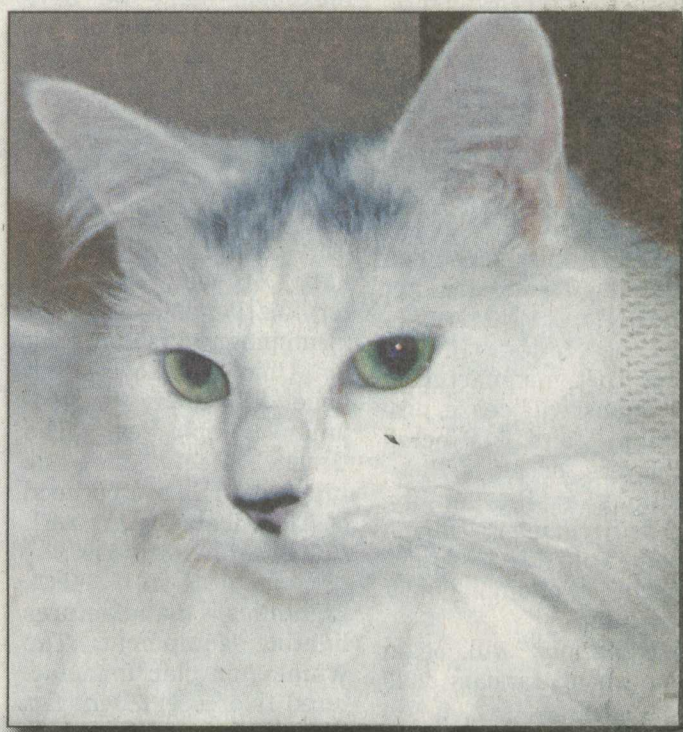

This behavior has been reported most commonly in assisted living or nursing homes, especially places where seniors share collective resources, such as board games, access to a community television, or other items. One issue that is particularly volatile in small senior spaces is the issue of space, as many seniors competing for only a few spots, at the community room or at a game night, will raise the ire of other seniors.

This phenomenon is not unique to the United States. Dutch seniors are so frequently bullied that the Dutch government has sought to revamp their entire senior program, and often have a full time senior bullying counselor on staff.

While some experts believe that bullying is a component of a person's personality and can follow a person throughout life, all the way from infancy to the elderly community, others believe that other issues concerning sen-

iors can be the spark that ignites bullying. For instance, competition for staff attention, or jealousy concerning the frequency of family visits, can negatively affect senior's mental state and opinion of each other. Research shows that dementia can cause bullies to forget that they are bullying, which leads to a continuation of bullying with no feelings of guilt or remorse commonly associated with bullies.

The Wilmington Health Care Center is putting on a workshop and presentation to inform people about the realities of senior bullying on December 5th, 2012 at 5:30 p.m. Issues to be discussed will be how to support and encourage bullied seniors to overcome the aggression of other seniors, while setting a zero tolerance policy for the bullying seniors. The speaker, Celeste Lamoureux, is the vice president of business development for Choice Life Hospice, and 30-year veteran in the healthcare field, including 6 years working in hospices.

St. Mary's comes out on top in playoff battle

Rams knocked out in semi-finals

By MIKE IPPOLITO
Sports Correspondent

LYNN - It would be difficult to tell by the final score, but the fact is that for three quarters on Tuesday night the Shawsheen Tech Football team gave St. Mary's of Lynn all they could handle, battling the Catholic Central Large champions to a very close game and trailing only 16-0 despite playing on their opponents home field in the semi-finals of the MIAA Division 4 playoffs at Manning Field.

But in the fourth quarter everything started to unravel for the Rams as they fell victim to a barrage of St. Mary's points, with the Spartans powerful rushing attack taking over the game and turning it into a rout with St. Mary's coming away with a 36-8 win.

It was a tough end to another great season for Shawsheen who won their third, straight CAC Large title and finished 9-2 overall. St. Mary's, meanwhile improved to 11-1 on the season and advanced to Saturday's Division 4 Super Bowl where they will take on Abington.

"I am very proud of our team," Shawsheen coach Al Costabile said. "They had a great season. You always wish things could have ended a little better, but we were not able to accomplish that."

Ultimately it was the powerful running game of St. Mary's that doomed the Rams. Led by the junior running back tandem of Jordan Collier (18 rushes, 291 yards, 3 TD's) and Jordan Manthorne (13 rushes, 108 yards) the Spartans did to the Rams what they did to so many of their opponents all season, which was to simply wear them down and eventually overpower them.

The Rams meanwhile, who averaged over 35 points a game during the season, were unable to get their normally prolific attack going for most of the evening, as St. Mary's held them to just over 150 yards of total offense until their final drive of the game which resulted in their only points of the contest with 17 seconds left

in the game.

"St. Mary's is a great football team and they did a great job tonight," Shawsheen coach Al Costabile said. "I will be rooting for them on Saturday. The city of Lynn should be very proud of them."

Trailing just 16-0 at the half the Rams defense had stepped up in the third quarter to hold the mighty Spartans in check and still trailed by the same score at the start of the fourth quarter with St. Mary's facing a third and five from their own 36 yard line.

But on the first play of quarter, Collier broke loose for a 64-yard touchdown run to make the score 22-0 after the failed two point conversion.

After the next Shawsheen drive stalled and they were forced to punt, it took Collier just one more play to add to the St. Mary's lead, this time out racing the Shawsheen defense on an 85 yard touchdown run to make the score 28-0 with 7:09 left in the game.

After Shawsheen was held to a three and out on their next possession, it took St. Mary's only two plays on their next drive to turn the game into a blowout when Connor Sakowich scored on a 55-yard touchdown run with 5:43 left in the game, followed by the two point conversion that made the score 36-0.

With the reserves in the game for both teams late in the fourth quarter, Shawsheen got on the board for their only score of the game with 16 seconds left when sophomore running back Chris Sorenson scored on a three yard touchdown run, followed by a two point conversion pass from sophomore quarterback Chris Arkalis to junior Nick Hoar.

The score capped a six play, 65-yard drive by the Rams that featured two of the team's potential stars for next season, with Arkalis rushing for 28 yards on the drive and Sorenson rushing for 37 yards and the score.

Shawsheen had a couple of other scoring opportunities earlier in the game, including on their first drive of the game when senior quarter-

Shawsheen Tech's Austin Linehan makes an interception and returned it for a touchdown helping the Rams Football team defeat Gr. Lowell on Thanksgiving morning. (photo by JoeBrownphotos.com)

back Mike O'Hearn, who had an outstanding season with, 2,022 yards passing and 27 touchdown passes while throwing only five interceptions, completed six of seven passes to march the Rams all the way to the Spartans 13 yard line before their drive stalled.

Even then it looked like they would come away with some points when senior Devonn Pratt, who led Division 4 with 170 points, kicked an apparent 30 yard field goal.

But the field goal was nullified by a delay of game penalty against the Rams and Pratt's next attempt sailed wide right, keeping the game scoreless.

"We had a good drive there to start the game, but we were unable to convert," Costabile said. "We needed to get some points there."

Shawsheen drove to the St. Mary's 30 yard line on their next possession before being stopped on fourth down, but after that they had a very difficult time getting their offense going, as star senior running back Paul DePlacido who rushed for 1,411 yards on the season was held to just six yards rushing on six carries, while O'Hearn was never able to recapture his great touch from the game's opening drive.

"They adjusted very well," Costabile said. "After that first drive they pressed us in coverage and we were not able to complete the short stuff like we were on that

Redmen come away with an 18-6 victory

By **JAMIE POTE**
Sports Editor

WILMINGTON - It didn't take long for the Tewksbury Memorial High School Football team to win its second straight Thanksgiving Game against their archrivals of Wilmington, but it did take much longer before the Redmen could close the deal.

Tewksbury scored on its opening drive and added another score late in the first quarter before stalling over the next three quarters allowing Wilmington to hang in the game. But in the end,

it was the Redmen who came out on top winning 18-6 before an estimated 4,000 fans in the 79th annual Turkey Game played on a gorgeous sunny morning at Alumni Field.

After scores from Eddie Matovu and Johnny Aylward, Tewksbury jumped in the back seat for a while, and Wilmington was able to muster together several long and successful drives only to turn the ball over four times which negated any chances of a comeback victory.

"I thought we did some good things early and then I

thought we struggled at times and that was disappointing," said Redmen coach Brian Aylward. "I don't think that was our best performance and that has to be on us (as coaches) and we have to (quickly) figure out how to get better on the things we need to get better on for Tuesday. But the benefit now is we can shift our gears to Tuesday. I think that's always hard to do to maintain your focus on Thanksgiving when you're going on the playoffs. But our kids came to play, they played hard and we got out

of the gate very strong. We did some good things but also think Wilmington was ready. They played like a bunch of kids who were playing in their last game."

Tewksbury finished the game with 314 total yards of offense including 276 on the ground. Aylward led the way with 88 rushing yards, followed by 79 from James Sullivan, 69 from Tom Casey and 40 from Matovu. Wilmington finished with 193 total yards, including sophomore quarterback James O'Regan completing 10-of-24 passes for 156 yards with one score (another one called back) and two interceptions.

"(Tewksbury) kind of han-

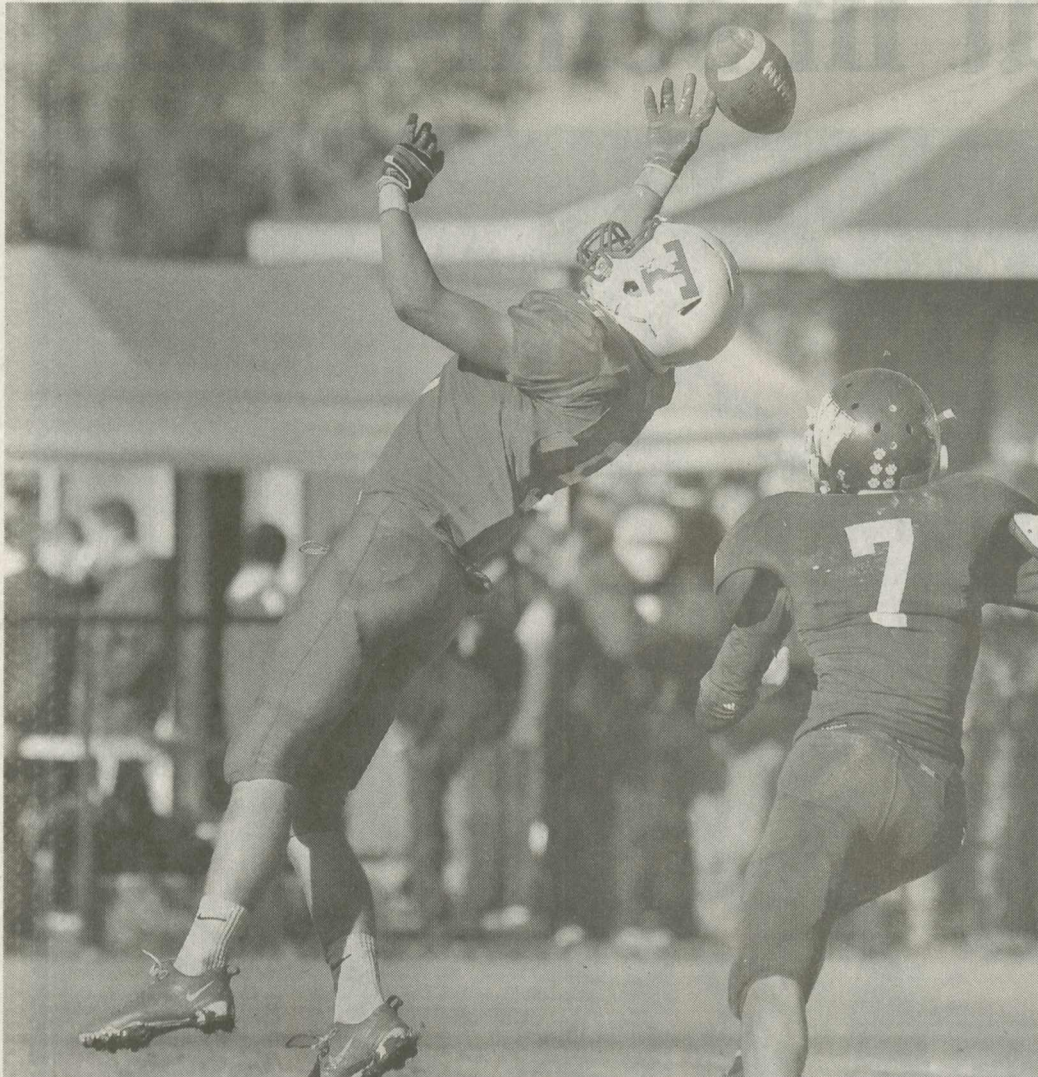

dled us upfront a little bit which was the difference in the overall game," said Wildcat head coach Mike Barry. "They are a good team and we knew they were a good team coming into the game. But I thought our kids fought hard all game. We made a couple of mistakes early on but the effort was there all game. When the season gets down (to this game and you're out of it) a lot of teams pack in it but we didn't. We kept fighting but it just didn't happen for us today."

The Redmen came out of the gate scoring on the first drive. The Redmen started the drive on its own 40, and

after a 15-yard lateral pass from Aylward to Sullivan, the Redmen stayed on the ground for their next seven plays with Matovu scoring his 16th touchdown of the season on a 5-yard run going to his right. Tewksbury was set to kick the PAT but the snap was high forcing holder Dominic Rosado to scramble and toss an incompleated pass.

"I thought that (first drive) was clean," said Aylward. "There were no penalty flags thrown. We came out and executed. We got off the ball good and I thought those kids just ran hard. As it went on, (Wilmington)

Letter to the Sports Editor

Changing the basketball schedules not fair to the Girls teams

This past week, the Middlesex League decided to change its scheduling format with high school varsity girls and boys basketball games because of complaints from Lexington parents who feel that having the girls games begin at 5:30 and the boys games begin at 7:00 pm is unfair to all of the girls teams. Moreover the motion was about to head to court, instead the ML Athletic Directors decided to change the format where now when one team is home, the other is away, both playing at 7:00 pm. This letter was sent in by Woburn High School Girls' Basketball Coach Stephen Sullivan. [Sp. Ed].

Dear Sports Editor:

Not that my opinion is worth much but I figured I owed it to my players, the parents of my players, and the fans of Woburn Memorial High School basketball in general to weigh in with my displeasure with the ruling to create an emergency new schedule due to the threat of a Title IX compliance lawsuit.

I can only speak from my perspective as Woburn Memorial High School Varsity Girls Basketball coach. First let me say that I understand we are one of if not the only league in the state that does not do separate gender sites. However, if it is in the best interest of the student - athletes then it is okay to be different. Here

are my thoughts as to why having separate gender sites severely hurts many people who are fans of Middlesex League Basketball, but is especially devastating for the girls that play varsity high school basketball.

1). In Woburn the Boys and Girls Basketball teams are extremely close and avid supporters of each other. Each and every game night the boys team arrives early to watch and support the girls team. They all watch the first half of the girls game before they head downstairs at halftime to change and begin their preparations for their own game. Conversely, the girls varsity team always hangs around when their game is completed to stay and cheer on the boys team.

The relationship runs much deeper than just rooting for each other on game days. There is no bigger supporter of the girls varsity basketball team than their counterparts on the boys team, and vice versa for the boys being supported by the girls, who know and understand the hard work, sweat, and determination that go into preparing for each and every game.

With this new proposed schedule the player's fellow classmates who share their passion for basketball the most will hardly ever be able to see them play their games (all because of some Title IX compliance lawsuit

that is not taking into account the best interest of our student-athletes)!

2). We have a great group of parents on the boys and girls side who support each other each and every game. Not only does the boys team arrive early to watch the girls game, but the parents of the boys can always be found in the stands watching and supporting the girls team. Then, the girls parents always stick around and support and cheer on the boys team. Most high school basketball parents mark their calendars and are present from 5:30 to 9:00 pm each and every Tuesday and Friday night in the winter supporting the girls and boys basketball teams. This is something that they really enjoy and something through no fault of their own that they are losing.

How about the parents who have both a male and female child who play varsity basketball at the same time? Just a recent short list include from Woburn Kristen / Mark Dwyer and Randy / Gabby Parker. These parents must decide which child's game they are going to watch? Take Watertown with Gabby and Marco Coppola? These are just a few of the examples that jump right into my mind without even thinking about it!

If you want to take it a step further Vanessa Carbone plays for me and her cousin Chris Clafin is the varsity

boy's basketball captain. Vanessa and Chris have the same grandparents who have attended every Woburn Memorial High School game the past three years and must now decide which grandchild they are going to watch on each given night (all because of some Title IX compliance lawsuit that is not taking into account the best interest of our student-athletes)!

3). We in Woburn are fortunate enough to have a group of 15 to 20 Senior Citizens who religiously travel to each varsity boys and girls basketball game home and away every Tuesday and Friday night. They can always be seen sitting together supporting the Tanners in good times and bad times. Now they will have to decide which game to attend and be unable to see both teams play (all because of some Title IX compliance lawsuit that is not taking into account the best interest of our student-athletes)!

4). The student body will now have to decide whether they are going to go and support the varsity boys or varsity girls basketball team play because they will no longer be able to go to one site and see both teams play (all because of some Title IX compliance lawsuit that is not taking into account the best interest of our student-athletes)!

Let's be honest for a minute if we can? Does this

person who threatened this Title IX compliance lawsuit realize or even care that they just hurt the Girls Basketball teams more than anyone else! We all know that the girls games are going to have fewer fans than the Boys games and the Girls will be playing in front of a crowd comprised of mostly friends and family on a nightly basis. Part of the beauty of the Girls and Boys varsity teams playing at the same site back to back are that the girls draw some of their fans from the boys team.

It is kind of ironic that Title IX is designed to give the girls equal rights and help the girls where this potential lawsuit is really hurting the girls!

There is still two weeks before the season starts and time to make up a schedule with reverse double headers keeping the varsity girls and boys together at the same location on a nightly basis.

While my personal opinion is that it is much better for the girls to play at 5:30 pm and the boys to play at 7:00 pm (with fans coming in and filling up the stands during the second half of girls games), I would much rather do reverse double headers on a rotating basis than lose the varsity teams playing at the same location. While I realize it might take a little bit of work to put this together quickly, if we truly have the best interest of the girls at

heart in this Title IX compliance lawsuit, I implore you not to do separate gender locations!

The sad and depressed looks on the faces of my Girls team when I told them about the proposed new schedule and separate gender locations was as if I told them someone close to the program had passed away. The sadness emotion quickly turned to anger and frustration as to the reason why this decision was made by the Athletic Directors. Parents quickly approached me and asked what they could do to change this. They are extremely disappointed and outraged and weighing their options to discuss what their next step should be. I told them I was in the process of drafting an email to the athletic directors and local newspapers concerning this issue.

I thank you for letting me express my concerns and displeasure with the current new schedule and hope that the Athletic Directors reconsider this one year experiment of separate gender locations to appease this potential Title IX compliance lawsuit that really hurts the student athletes, especially the female student athletes (which is pretty ironic)!

Sincerely,
Stephen Sullivan

Wilmington riders help raise 37 million for Dana-Farber

The 2012 Pan-Massachusetts Challenge (PMC) raised \$37 million for cancer research and patient care at Dana-Farber Cancer Institute through the Jimmy

Fund. The 2012 fundraising total is \$2 million more than the PMC gave in 2011 and brings its 33-year Jimmy Fund contribution to \$375 million.

The PMC, which was held Aug. 4 and 5, 2012, is the most successful single athletic fundraising event in the United States; it raises and contributes more money to

charity than any other such event.

Last August, 5,234 cyclists from nine countries and 36 US states rode one of 11 routes that ranged from 25

to 190 miles. Locals from Wilmington who participated in this past year's event include: Mickey Rooney, James White, Rebecca Leonard, Sherry Iuliano,

Frank Haubner, Christopher Leonard, James McLaughlin, David Laing, Jr., Bill Campbell, Ted Haggerty, Simon Nichols and Joel Kachappilly.

look down field and then their pass rush started to get to us."

With the game scoreless after the first quarter, St. Mary's took the lead midway through the second quarter when Collier scored his first long touchdown of the game from 66 yards out for an 8-0 lead after the two point conversion with 6:05 left in the first half.

St. Mary's would add another score with 25 seconds left in the half to go to break with a 16-0 lead.

Thanksgiving Game

Prior to their loss in the playoff game, the Rams capped off their remarkable regular season with a 37-18 win over Greater Lowell on Thanksgiving Day at Samuel J. Cassidy Field in Billerica in the 20th Annual meeting between two teams on Thanksgiving Day.

It was the 11th win in a row for the Rams in the rivalry, and they now lead the series 16-4 overall.

The win capped the Rams regular season with a 9-1 overall record while Greater Lowell finished their season with a record of 5-6.

The Rams were led by their trio of magnificent seniors in their final game at Cassidy Field, as quarterback Mike O'Hearn threw for 193 yards and five touchdowns, two of them to

wide receiver Devonn Pratt, while running back Paul DePlacido rushed for 128 yards.

Another outstanding senior, tight end Devin Summiel of Tewksbury, capped his Cassidy Field career in tremendous fashion, with two touchdowns and 104 yards receiving.

It was the eighth win in a row overall at the time for the Rams, and was also the eighth game in a row where they scored more than 30 points.

Much like the playoff game, the Turkey Day contest was much closer than the final score would indicate, as the Rams led just 20-12 at the half and 27-18 at the end of three quarters before putting the game away late.

"Honestly, my hat's off to the Greater Lowell coaching staff and players. They really came to play today and gave us all we could handle," said Shawsheen coach Al Costabile.

Shawsheen got on the board first, going on an impressive 75 yard drive in the first quarter capped by a 20 yard scoring pass from O'Hearn to Summiel.

Greater Lowell fought back later in the quarter on a 10 yard run by Argelis Lizardo which was set up by a 59 yard run by Tyler Mahoney (172 yards rushing) to close within 7-6 after the failed two point conver-

sion try.

A 16-yard pass from O'Hearn to Devonn Pratt made it 13-6 early in the second quarter, but once again the Gryphons wasted little time in responding, with Mahoney scoring on a 72 yard run. Another failed extra point saw the Rams holding onto a slim 13-12 lead.

O'Hearn and Summiel hooked up again before the end of the half, this time from 25 yards out and the teams went to the locker rooms with Shawsheen holding a 20-12 lead.

The Rams recovered an onside kick by Greater Lowell to start the second half and Shawsheen struck quickly with DePlacido taking the ball to the one yard line with a 31 yard run on the first play after the recovery, and O'Hearn finishing the drive with a one-yard pass to Jared Pinette for a 27-12 lead.

A two-yard run by Mahoney cut the deficit to 27-18 a few moments later, but that was as close as the Gryphons would get. Pratt kicked a 20-yard field goal early in the fourth quarter and then caught a 14-yard pass from O'Hearn for the final touchdown of the game, and his 19th of the season.

Football Recruiting Night, Dec. 4

Several Youth Hockey teams take home Cornucopia Tournament titles

Squirt 1's

The Wilmington Youth Hockey Association Squirt 1 youth hockey team swept to victory in the Cornucopia Cup Tournament over the Thanksgiving weekend. A tough Valley League schedule had the team looking for a chance to turn things around and get back in the win column. Sam Cedrone was in net, with Maura Fiorenza and Jimmy McCarron starting on defense, backed by Zachary Smith and Matt Miller as the second defensive pair. The defense would be strong throughout, allowing only two goals through the four games.

The Wildcats kicked off the tournament on Friday morning at the Tsongas Center in Lowell, taking on the hometown Lowell Hawks. From the opening faceoff, the referees were calling it close, and Wilmington was whistled for two penalties in the early going. After successfully killing off the penalties, the Wildcats got on the scoreboard in the final minute of the period when Zachary Kincaid knocked in his first goal of the game. Kincaid added two more in the second period to get the natural hat trick, and Brendan Ardito added one late in the second to set the score at 4-0 Wildcats. That was the final after a scoreless third period.

The team returned to the Tsongas Center for an evening game against Hamden Connecticut. This time the Wildcats came out strong, with Andrew Gallucci scoring early to trigger a balanced attack that featured six different goal scorers. Brendan Ardito led the way with three goals, Andrew Gallucci added two assists to his tally, Anthony Bowker, Zachary Kincaid, and Joseph Hartzell each earned a goal and an assist, and Jimmy McCarron added a goal from his position on defense. Wilmington allowed only a single goal in the third period and rolled to the 8-1 win.

The train kept right on rolling at the Salem Ice Center on Saturday morning against the Maine Gladiators. Zachary Kincaid charged in from the opening faceoff to score in the first minute, and went on to record another hat trick. Joseph Hansen and Brendan Ardito each had a pair of assists, and the Wildcat offense was again firing on all cylinders with goals from Joseph Hartzell, Matthew Miller, Andrew Gallucci, and Jimmy McCarron. Again allowing only a single goal against, Wilmington assured a trip to the final round with the 7-1 victory.

The final was a rematch against Maine at noon on Sunday. The first line forwards again set the tone, with Brendan Ardito scoring on the first shift of the game. As the first period continued, Anthony Bowker added a goal and an assist, and Derek Gallucci scored twice. Derek got his hat trick by adding a power play goal in the second period, and the Wildcats exploded in the third period to add five more goals, including two short handed.

Mite 1's

The Wilmington Mite 1 youth hockey team fought hard, finishing in second after playing four games in three days in the Turkey Day Tournament in Woburn this weekend. It started with an 8-2 win vs. the Chelmsford Mite 1's. Matt Ardito, assisted by Michael Daniels, netted the first goal seconds in. Nick Ackerman then shot a puck that bounced straight up and over the goalie's head into the net. Defensemen Ryan Dusablon, Aydan Churchill and Cameron Gagnon patrolled blue lines and fed forwards low until Ardito scored to make it 3-0. Daniels passed to Ardito who netted the hat trick! Ardito hit Gannon Ricci who nailed goal five.

Forwards Tristan Dimeco and Ella Cedrone won puck battles and drove the Cats up ice. Keegan Gray assisted Ardito on goal six. Beating goalie Liam Crowley was difficult. Gray and Farrell each netted goals as well.

In the second game, the

Cats prevailed in a 9-5 nail-biter vs the Winchester Mite 1s. Dusablon and Farrell assisted Ardito on an early score (his first of 8 goals!). Winchester tied it. Then Ardito took a pass from Gagnon off the face off, and stunned the Winchester goalie. Defensemen Dusablon and Ackerman worked hard all day. Gray made a great breakaway stop. Winchester then got two goals. Ardito answered, ending the period with a hat trick off a nice pass from Ricci. Winchester scored, then Ricci and Ardito crashed their way to the net and Cameron Gagnon slammed home the tying goal under the goalie's back. Gagnon assisted another Ardito roofer. Ardito tucked in another. Crowley protected the lead, making some great saves, but one got through a screen.

The 'Cats seized control of the game the rest of the way with aggressive plays by Churchill and Cedrone. Farrell assisted Ardito on two more. Crowley remained focused and stopped several scoring attempts using his glove, stick, blocker and even his face to stop pucks!

Game 3 was against the Burlington Mite 1's. Ample Burlington scoring opportunities were thwarted by the excellent play of Wilmington's defense, back checkers and goaltender Crowley. Daniels made multiple end to end rushes. Gray and DiMeco each stopped breakaways. Gagnon, Ackerman and DiMeco had great shots on net that were denied. Cedrone won key battles to get pucks out of the Cat's zone. Crowley was alert and covered several shots in close. Churchill hammered through the corners for loose pucks. Ryan Dusablon then took a hard shot that deflected off the goalie's skate and in for the game winner.

The defense and Crowley denied every Burlington attempt the rest of the way. Crowley stopped shots using sprawling pad saves and diving glove stops on wrap-around attempts. After a last late breakaway bid to tie attempt was thwarted, the 1-0 shutout was in the books.

The finals were a rematch with Winchester who scored first. Ackerman and Dusablon played like tornadoes on defense. Ardito, Cedrone and Daniels had scoring opportunities early. Crowley got hit hard as a few Winchester players crashed the net, but he gutted through the game regardless. After two more Winchester tallies, Farrell scored a breakaway goal assisted by Crowley, to make it 3-1.

Winchester scored again, but the Cats responded urgently. Ardito skated coast to coast dodging the Winchester defense to pop one in over the goalies head. Farrell had multiple scoring attempts sniped by the Winchester goalie. Farrell closed the gap to 4-3. Then two breakaway attempts by Farrell were denied, and regrettably time expired, and the Cats undefeated streak and tournament title hopes ended.

Mite 2's

The Wilmington Squirt 2 youth hockey team took to ice Friday to work off some of their Thanksgiving dinner at Skate 3 in Tyngsboro, participating in The Cornucopia Cup Hockey Tournament.

First opponents were the Chelmsford Lions. It took the boys from Wilmington until just after the halfway point in the first period to find the back of the net, but they never looked back from then on. Peter Kourkoutas started things off with one of his patented end to end rushes, breaking the ice for the first of 11 goals that the Wildcats would eventually score. Connor Hill was next up being assisted by Patrick Callahan and Joey Pastore, followed by Ryan Ackerley (#1 of 3) from Ryan Packer and then Evan Munro (#1 of 3) from Jason Davey and Brian Dunfey.

Chelmsford snuck one past goaltender Max Churchill nearing the end of the first

period. Until then, and for the remainder of the game, he stoned the opponents, much to their dismay.

Joey Pastore (#1 of 3) began the second period festivities with help from line mate Connor Hill followed by Ryan Ackerley's second from Peter Kourkoutas, Pastore's second from Nate Packer and Connor Hill, Munro's second from Peter Kourkoutas and to finish off the scoring in the second period, Ryan Ackerley's hat trick once again from Ryan Packer.

Defensively, James Kourkoutas and Bryan Davey worked their tails off keeping the puck going in the right direction along with Joey Cornish who worked the boards in the offensive end brilliantly. Their names might not have showed up on the score sheet, but without their effort it could have been a much longer day for goaltender Max Churchill.

Third period scoring began as the second did with Pastore scoring his hat trick assisted by Patrick Callahan then Munro joining in on the fun with his own "trick" unassisted to finish off the day. Final score Wilmington 11-Chelmsford 1.

Game two of the tournament was held at the Salem Ice Center at 4:30PM on November 23rd against the Hamden, CT Dragons. The Cats came out flying from the outset putting three goals in the net within the opening two minutes. Connor Hill started it off with a tough angle shot down the right side assisted by James Kourkoutas. This was quickly followed with goals by Evan Munro (assisted by Nate Packer) and Ryan Ackerley (assisted by Ryan Packer and Joey Cornish). Jason Davey, assisted by Brian Dunfey, netted the final goal of the period with about a minute left.

The second period was somewhat of a stalemate with much of the play in the neutral zone. Brian Dunfey had several nice passes during the period, but the Cats were unable to convert them to goals. Joey Cornish, assisted by Ryan Packer, found the top to the Dragon's net to give the Cats a commanding 5-0 lead at the end of two periods.

The 'Cats came out flying again in the third period to seal this game up. Ryan Ackerley scored (unassisted) to start it off. Jason Davey, assisted by Bryan Davey, found the corner of the net from the right. Joey Pastore, assisted by Connor Hill, found the back of the net to finish it off with the Cats winning 8-0. Max Churchill played well in net logging a shutout.

In the third game of the Cornucopia Cup the Wilmington Wildcats faced off against the Hawks of Greater Lowell. It would prove to be Wilmington's toughest game in the tournament so far. The coaching staff of Wilmington headed by Joe Cornish had the Wildcats prepared to perfection in order to insure their bid into the finals.

The defensive pairings of Peter and James Kourkoutas, Nate Packer and Bryan Davey kept the Hawk's offense away from goalie Maximilian Churchill in order to provide the Wildcats with a second shutout of the tournament. Churchill was quoted as saying "they were awesome" after the game. The offense was firing on all cylinders, peppering the outstanding Lowell goalie with relentless pressure.

The scoring started at 4:29 of the first with a nifty rebound goal by Joe Pastore after a rocket of a shot by Patrick Callahan. Offensive star Conner Hill kept the pressure on pounding his wing's side defense with rush after rush. Peter Kourkoutas turned on the jets on a Hawk's line change and just missed with a rocket of a shot.

In the second period at 5:41 Evan Munro scored Wildcat goal number two unassisted with a low powerful drive from the point passed the surprised Hawks goaltender. James Kourkoutas made an

outstanding pass to Ryan Packer who almost scored with some great stick handling. The third had some fast passed hockey back and forth. Churchill preserved his shutout with a solid save on a Lowell breakaway.

At 2:25 of the third forward Ryan Ackerley rushed the puck up with outstanding speed with Jason Davey following close behind to hammer the rebound home for the third goal of the game. Brian Dunfey kept the Hawks pinned into the offensive zone with warrior like work along the boards giving them no chance to get back in the game.

The fourth and final goal came from another rush and pass from Ryan Ackerley to Joseph Cornish who fired a shot, gathered the rebound and completed the play by getting Ryan Packer the puck for a goal. Some last minute chances by the powerful defense of Nate Packer and Bryan Davies conclude the game at 4-0. The Wildcats are headed to the finals!

The championship game was a rematch from Friday's game with Chelmsford, in which Wilmington dominated.

Halfway through the first period, the Joey Pastore offensive line with Connor Hill and Patrick Callahan put immense pressure on the Chelmsford defense. This pressure resulted in Wilmington's first goal scored by Connor Hill, unassisted. Connor's goal would eventually prove to be the game winning goal.

The first period scoring didn't stop from there. Goals by Ryan Ackerley, assisted by Brian Davey, Patrick Callahan, assisted by Joey Pastore and Brian Dunfey, assisted by Jason Davey, had Wilmington up 4-0 going into the second period.

Starting the second period Wilmington knew that Chelmsford would be giving everything they had to come back from a four goal deficit. However, Chelmsford's offense couldn't break through the defensive wall put up by Wilmington's defensive pairings of Bryan Davey and Nate Packer, Peter Kourkoutas and James Kourkoutas. The defensive play was outstanding. When Chelmsford was able to get by the defense, Max Churchill would stop everything that came his way.

Wilmington's offensive and defensive lines kept the pres-

sure on Chelmsford. Wilmington forwards Ryan Packer and Evan Munroe, each with breakaway bids of their own, kept the pressure on Chelmsford. Again the constant pressure resulted in two more Wilmington goals. Connor Hill scored his second goal that was assisted by defenseman Nate Packer and Peter Kourkoutas' unassisted goal put Wilmington up by six goals.

In the final period of play, Wilmington continued their onslaught with tenacious defense and offensive play. Max Churchill came up big with some amazing saves to keep Chelmsford off the scoreboard. Additional goals by Jason Davey, unassisted, and Ryan Ackerley's, second goal, assisted by Joey Cornish, brought the final score to 8-0 and further secured Wilmington with the championship victory!

Bantam B's

The Wilmington Wildcats Bantam B hockey team is riding high in first place in the Valley League, thanks to a run of 4-1-0, recently. In the first of three straight wins, the Mighty Cats took on the Billerica Indians on Billerica ice. In a good back and forth game, Wilmington tallied twice in the opening period. At 6:25 Jared Spinney scored on a play started by Nick Santos and Stephen Bowker, who got the assists.

Solid defensive play by Bret Malone, Zach Marcinkowski and Santos kept Billerica away from goalie Christiaan Medugno most of the period. When needed, Christiaan answered with big saves. With one minute left in the period, Marcinkowski rushed down the slot and put a sweet pass onto the stick of Mike Daley for goal number two. One minute into the middle stanza, Billerica popped a third rebound past a prone Medugno, for the only score of the period.

The final period started with the Indians tying it up at 2-2, on a screen shot from the right side. The Wildcats stormed right back, scoring off of the face-off, with Daley and Kyle Penney feeding Bret Malone for the game winner. Good offensive pressure was provided by Cristian Beltran and Pat Dunfey. Final score, 3-2 Wilmington.

Next up was a Sunday tilt against the Medford Mustangs in Medford. The Cats jumped out to a quick lead when Samantha Grasso slapped home a Kyle Penney rebound. Five minutes later Zach Marcinkowski made a run down the middle and he dropped a pass onto Mike Daley's stick that made for a real pretty goal. The Ponies tried to catch up with a goal just before the buzzer. The second period saw both teams net a couple of goals each. The Cats' Cristian Beltran finished a play from Zach and Ellen Farrell at 9:01. Penney and Daley combined to feed Malone near the end of the period to bring back the lead.

Medford scored early in the third, only to be shut down by Medugno and the defense of Tyler De Jesus, Nick Santos and Sammy Grasso. The game winner for Wilmington was scored when Ellen Farrell drew the Mustang netminder to his left while Pat Dunfey came in on the far side for the winner.

In a rematch with Medford the following Sunday, the Wildcats lived up to their name. Medford jumped out to a fast 2-0 lead in the first period. The Wilmington defense woke up and got to work, shutting Medford down for 14 minutes. The Cats got on the board when Penney fed linemate Farrell at 11:06. Farrell and Marcinkowski then assisted on Beltran's wrist that closed the gap. Defenseman James Ryan caught a Medford pass in the neutral zone and fed it to Marcinkowski for a 3-2 lead. Medford answered back with 1:29 left. Wilmington took the lead back for good Zach passed off to Farrell in front.

The Wilmington gave Medugno some needed rest in the third when Grasso, De Jesus, Santos and Ryan shut the Mustangs down, allowing only seven shots on Christiaan. Kyle teamed up with Mike at 11:34 for the Daley goal. Off the face-off, Beltran and Farrell combined to get Marcinkowski his second goal, and fourth point of the game. Wilmington iced it when Bret Malone tapped in a Daley rebound to finish it off as a 7-3 Wildcats win.

Another successful fall athletic season at Shawsheen Tech

The athletic teams at Shawsheen enjoyed another tremendously successful fall campaign.

The Ram Girls Soccer, Boys Soccer and Volleyball teams all qualified for the MIAA state tournament and the state's vocational tournaments while the football team once again won its league and advanced to the state semifinals.

The Golf squad won the Commonwealth Athletic Conference once again and the cross country team sent seven boys and six girls to the Div. 4 state meet.

"I can't say enough positive things about the commitment of our coaches and the performance of our athletes," said Charles Lyons, Superintendent. Director "The tone they set at school has a profound positive impact on school climate. Through education-based athletics, all students witness how success is ascertained through hard work and dedication."

Al Costabile's Football team continues to be one of the most consistent winners in Mass. in Div. 4. The state champs three years ago, the Rams won the league again last year before falling to

Cardinal Spellman in the playoffs. This year, a team that set several offensive records once again captured the CAC title and advanced to the semifinals to face St. Mary's of Lynn.

Running back Paul DePlacido, quarterback Michael O'Hearn and receiver Devonn Pratt all shattered Shawsheen Tech records during the season.

The Rams also won their 11th straight Thanksgiving Day football decision over Greater Lowell.

Doug Michaud's Girls Soccer team was 16-2-1 during the regular season, falling only to Billerica, a Div. 1 team that reached the state tournament, and Wilmington, who eventually played for the Div. 2 North championship.

The Girls finished with 12 shutouts and two other wins where they only allowed a single goal. Shawsheen beat Greater Lowell in overtime and then crushed Dimon Regional, 6-0, to win the state's vocational crown for the sixth straight time.

Chet Flynn's Volleyball team ended up 18-4 overall, reaching the finals of the vocational tournament and falling in the North semi-

nals of the MIAA tourney. The Rams finished behind only undefeated Notre Dame of Tyngsborough in the CAC standings.

Dick Barriss' Boys Soccer team had another good season, ending up 11-8-1 overall. The Rams fell in the opening rounds of both the MIAA and the vocational tournaments.

Tom Struthers' Shawsheen Golfers had another fine season, finishing first in the league championship tournament and qualifying for the state's team tournament. The Rams were 18-4 overall during the season, falling only to Arlington Catholic twice, Austin Prep and Assabet Valley.

The Cross Country program, coached by Tim Broadrick, saw the Boys and Girls combine to finish the dual meet season with a record of 16-5. The Boys were 8-2 and the Girls finished 8-3 overall.

At the state vocational meet, the Girls were third as a team and the Boys were fourth. At the CAC meet, the Boys were third and the Girls ended up fourth.

The Tewksbury 7th Grade Basketball team celebrated the Hood Tournament Championship this past weekend. The team includes: Front row from left: Troy Acconcia, David Giuggio, Jared Mason, Cam Kelly and Christopher Monteneri; Back row from left, Ben McKay, Brandon Winn, Giovanni Ciampa, Joe Rosberg, Masyn Lorick and Jesse Lamarca; Coaches: Sal Monteneri, Tim Kelly and Mike Giuggio. Hoop teams shine at Hood Tournament

Tewksbury's Officer James Hood Memorial Basketball tournament took place over the holiday weekend, and by all accounts was a huge success. Sixty-four travel teams from throughout the area participated, including 14 from Tewksbury.

The Hood has been a fixture on the local youth basketball scene for many years, always taking place Thanksgiving weekend and serving as a great way to get the Travel season going before the regular season schedule of league games begins.

This year, four Tewksbury teams made it to their division Finals one more competed in a 'play in' game for a spot in their division Finals, and one, seven Red, captured the championship in their division. Every Tewksbury team that participated won at least one game.

Special thanks go out to Tournament Director Dean Privatera, Auxiliary Chair Dave Pesantes and the various Site Directors who volunteered a lot of hours over three days to ensure the success of the event.

Here's how the games unfolded:

Tewksbury 7 Red

Tewksbury 7 Red capped off a terrific tournament run with a thrilling 45 to 37 win over Belmont - a team they had lost to the day before. Giovanni Ciampa and Masyn Lorick lead the way in the title game with 16 points apiece. Big key to the win was Tewksbury's full court pressure defense with took Belmont out of their rhythm and produced several turnovers. Tewksbury qualified for the championship game with a Play-In game win earlier in the day.

Tewksbury 5 White

The Tewksbury 5 White team had a very successful showing in the annual Hood Tournament. First up was a game against North Reading on Friday which Tewksbury won 37-20. Then on Saturday morning Tewksbury squared off against Windham and beat them 30-19. Saturday night, Tewksbury finished off its first round schedule by taking care of Wilmington 43-22.

With a record of 3-0, Tewksbury earned a spot in the play-in game against Littleton bright and early Sunday morning. In a hard fought battle, Tewksbury came back from an early deficit and prevailed 29-26 to secure a spot in the Championship game against Pelham two hours later. Unfortunately, the boys ran out of gas against a very talented team and fell by a score of 39-19.

Overall, the weekend was a success. Each and every player gave it their all. Everyone scored and the defense was tenacious. Congratulations to Chris Antonelli, Max Cummings,

Garrett Kingston, Nolan Timmons, Santino Garofalo, Thomas Barinelli, Nicky Iannacci, Evan Mantel, Tyler Keough, Aidan Doherty and Brodie Tirrell.

Tewksbury 6th Red

The Tewksbury Boys Red 6th graders built off their success in the IABBO Tap Off Tournament in Lowell last weekend by advancing to the finals in the Officer James Hood Tewksbury Turkey Shootout. The boys advanced out of their bracket with convincing wins against Chelmsford, Pelham and North Reading. This setup a thrilling matchup with Tyngsboro in the semifinals. A ferocious late game rally to overcome a six-point deficit led to a 39-38 victory and a spot in the finals against Billerica. Tewksbury ran out of steam despite battling hard the entire game but fell short 44-28 to a tough Billerica squad.

A total team effort all weekend by the players was the key to success in tournament play. The players include: Kyle Zervas, Josh Sughrue, Colby Wilson, Jay Connolly, Derek Graffeo, Adam Pacheco, Nick Larsen, Michael Polimeno, Jack Kelly and Zack Weitz.

Tewksbury 8 Red

Tewksbury played some great basketball throughout the tournament, but ran into a buzz saw of a Dracut team in the Final, dropping a 51-36 decision. Tewksbury qualified for the final winning all three of the earlier games.

Tewksbury 4 White

Tewksbury 4 White had a great showing in what was the first tournament play for most of these players going 2-1 in the tournament. The weekend started with a 22-19 win over Billerica that was close all the way to the finish. Cam Paolillo led a balanced scoring attack with 7 points while John Beatrice, Tommy Branchaud, Owen Griffin, Adam Favreau, Kyle McHugh, and Ben Svendsen all contributed baskets. But none was bigger than the foul line jumper by Tommy Branchaud in the final minute to put Tewksbury ahead by three and seal the victory.

In the second game Tewksbury lost 26-11 to a strong Belmont team that would go on to reach the Tournament finals. Jack Panilaitis and Cole Duffett helped keep Tewksbury close early each getting multiple defensive rebounds and steals. The offense was led by Ben Svendsen and Cam Paolillo each scoring four points with Elias Melki and Michael Cronin also getting into the scoring column. Kyle McHugh seemed to be everywhere on defense finishing with a season high six steals to go with his five rebounds.

In their final game of the

weekend Tewksbury was able to hold off a strong charge in the final minutes to secure a 16-14 victory over Chelmsford.

Tommy Branchaud and Adam Favreau paced the offense with five points each but the story of the game was the team defense.

The Chelmsford ball handlers were repeatedly shut down by the help defense after initially penetrating past the Tewksbury guards. Particularly in the final minutes of play with Tewksbury trying to hang on to a slim two-point lead. Chelmsford was unable to get a shot in their final two possessions, while Tewksbury did a nice job taking care of the ball on offense to secure a well-deserved win.

Tewksbury 8 White

The Tewksbury 8th grade White travel team used the Hood Tournament to prove that practice and working together as a team pays off. They finished the tourney with two strong wins against tough teams from Burlington and Littleton and had a loss to the eventual tournament champion Dracut.

The Burlington game was powered by even scoring across the team. The offense ran through power forward Rafi Perez and point guard Danny Priest and was fed by key steals from Brandon Alves, Mike Teague and David Pesantes. Newcomers to the team Ameen Kalkhoran and Aaron Whitehouse are already making strong contributions on both sides of the ball. Final Score 36-19.

The Littleton game was a defensive battle led by Eric Gallant, Eddie Gallagher and Jeff Carr. Our additional big men Jonathan Mooney and Zack Smith both played aggressively and controlled the boards and kept us in the game. Two key three pointers by Pesantes and Priest in the second half stretched the lead at the perfect time and our tenacious defense again led by Alves and Whitehouse held on for the win. Final score 29-25.

The Dracut game was our first game in the tournament and definitely caught the boys by surprise. The Dracut team pressed us from the first tip and rolled to a 34-9 lead at half time. Ameen Kalkhoran, JP Mooney and Rafi Perez were the only scorers in the first half.

The second half showed what this team is made of as they pulled together and outscored Dracut 22-15 with eight people getting into the scoring column. Our defense picked up their level of physical play versus a strong and talented Dracut squad. Defensive standouts included Eddie Gallagher, Eric Gallant, Rafi Perez and Brandon Alves. Final score 49-31.

Niemiec, Hendee and Doherty honored

The Wilmington High School Girls Soccer team was represented on Sunday night at the Eastern Mass All Star game, held at Woburn High School. Captain Holly Niemiec was named to the EMass Division 2 First Team and the All-State Team. Coach Sue Hendee was named EMass Division 2 Coach of the Year.

In addition, on the boys side, senior Colin Doherty was also named to the Eastern Mass and All State teams.

Woburn native Mirra wins Legislative seat

*The only newly elected Republican
in the Massachusetts House*

By GORDON VINCENT

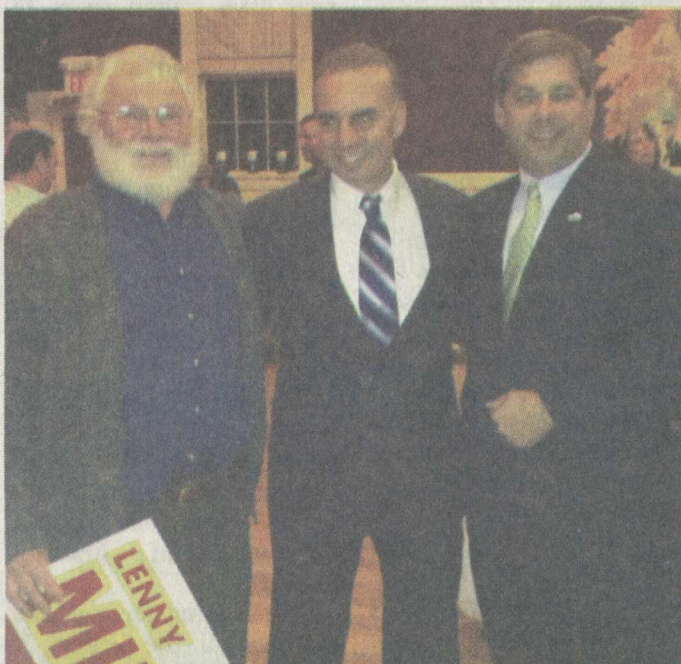

Lenny Mirra likes long odds. Why else would a Republican who has never run for public office decide to become a candidate for a seat in the state Legislature held for nearly two decades by a Democrat, in the bluest state in the country?

Despite all of those unlikely factors, Mirra - a Woburn native - earlier this month won election as state representative from 2nd Essex district, which includes West Newbury, Newbury, Merrimac, Georgetown, Groveland, and parts of Haverhill and Boxford.

Mirra, who now lives in West Newbury, will be the only new state legislator from the Republican party to be inaugurated into the House of Representatives in January.

"I'll admit it's a pretty incredible story," said Mirra. "I know it wasn't a good election for the Republicans, but I didn't know I was the only freshman Republican in the entire state who won until I was speaking to CLT (Citizens for Limited Taxation) and they introduced me that way."

Like a lot of people who end up being politicians, Mirra didn't aspire to be one when he

was growing up in West Woburn. He attended the Tarky Elementary School, and graduated from Woburn High in 1982. He played hockey and soccer with the likes of John Carter, another class of '82 grad who went on to play for the Boston Bruins, and current Woburn Mayor Scott Galvin, who graduated from Woburn High in 1981.

"(Galvin) and I grew up together, and we played hockey together," said Mirra. "We all played hockey together."

Mirra then attended and graduated from Boston College, and returned to the family construction business - Mirra Co., Inc. - which was founded in 1953 on Washington Street in East Woburn and moved to Georgetown in 1986.

Mirra Co. installs underground and overhead utilities for the big providers like Verizon and National Grid.

He bought a house in nearby Groveland in 1987 and 10 years later built a home in West Newbury. He was appointed to the Capital Improvements Committee in

West Newbury, where he got a taste of government and politics.

Still, the state Legislature seemed a ways off until incumbent state Rep. Harriett Stanley, a Democrat who is also from West Newbury, announced she would not seek re-election after 18 years of representing the district.

"I'd become very frustrated with the way things were working on Beacon Hill," Mirra said. "Our state is in a very grave financial situation, and our unfunded liabilities are ticking time bombs that are waiting to go off. We're getting squeezed by the federal government on one end and property taxes on the other end."

With 45 percent of the vote, Mirra won a 3-way race in September to claim the GOP nomination, and then faced off against Democrat Barry Fogel, a fellow West Newbury resident.

"I've known (Fogel) for a long time," said Mirra.

The two candidates may have started out on friendly terms, but they didn't end that way, as Fogel tried to make an issue out of a television news station's report from the U.S. Dept. of Transportation that Mirra Co.'s safety rating was the second-lowest in the state.

"That rating was based on incomplete data, and it once all the data was received, we were given a satisfactory rating," said Mirra.

The negative campaign theme may have hurt Fogel, according to Mirra.

"I know you have to go negative when you're running for big offices like President and Senator, but I thought I could run a campaign for a state representative seat by focusing on my own ideas," said Mirra. "I guess that was naive on my part because I was a first-time candidate."

Mirra also thought he had a shot at victory because while Stanley is a Democrat, she has a history of breaking ranks with her party.

Movie Reviews

by Paul Feely

"Life of Pi" thought-provoking

"LIFE OF PI" is a thought-provoking tale of survival on the high seas. It is the adaptation of the novel "Life of Pi." The movie will make you believe that 3-D digital technology has a future in film.

"LIFE OF PI" GRADE: **

This thought-provoking tale of survival on the high seas works on a variety of levels, but best of all as a visual feast. It is filled with memorable images.

Even if the story doesn't quite live up to middle-aged Pi Patel's promise to "make you believe in God," director Ang Lee's ("Brokeback Mountain") adaptation of the novel "Life of Pi" will make you believe that 3-D digital technology has a beautiful future in film.

The story of the film is told in flashbacks. A writer (played by Rafe Spall of "Prometheus") searching for a story visits a man, Piscine Molitor Patel (played by Irfan Kahn of "Slumdog Millionaire") to hear a remarkable story of a sea voyage which is also a spiritual journey. It turns out that the man is quite a storyteller.

First, he explains to the writer how he got his name (from a swimming pool in France) and how he managed to shorten his awkward first name to Pi in order to avoid humiliation in grade school.

He also describes his spiritual development, starting with his native Hinduism, which later branches out into both Christianity and Islam, the three major religions of his native India. The image he mentions, of Krishna, in whose mouth can be seen all of creation, returns in some of those memorable scenes of the next story he tells. That story is about his survival over 200 days at sea in a lifeboat with an adult Bengal tiger.

Pi's family, in the process of moving from India to Canada on a cargo ship, which is also carrying zoo animals to be sold in Canada, runs into a big storm at sea and sinks. Pi (played as a young man by Suraj Sharma) escapes the wreck in a lifeboat with several animals, including a Bengal tiger. When the tiger gets hungry, Pi knows it will try to eat him, so he devises ways to put some distance between him and the tiger, and devises ways to catch fish to feed the tiger. Eventually, he and the tiger come to an understanding that, while tenuous at best, works for both of them.

While the tiger is dangerous, and difficult to deal with, Pi eventually comes to believe that the animal is what kept him alive so long at sea, when he might have died alone. Man and tiger have many adventures, including landing on a strange floating island. Eventually, the lifeboat lands on a beach in Mexico and the tiger disappears into the jungle.

I always been an advocate of seeing movies on a big screen in a theater, because that's how they are meant to be seen. The Life of Pi is one of those films that absolutely must be experienced on a giant screen. To see it any other way will not do it justice. Visually, The Life of Pi defies description.

Until now, the "Twilight" movies have been fairly grounded in reality.

Though the films are about vampires and werewolves, the heart of the series has always been Bella, the average teenage girl perpetually on the verge of disaster or mental breakdown.

Even those who never completely embraced the paranormal side of "Twilight" were still able to relate to the intense love story.

But there's nothing human or relatable about "The Twilight Saga: Breaking Dawn — Part 2."

This last film in the five-part series leaves behind all things ordinary and shifts full time into the extraordinary world of vampires.

Through Bella's now-vampire eyes, everything is brighter and more beautiful. Director Bill Condon creates a world so magical and detailed that it almost makes you sad it isn't real.

The first part of the movie, with Bella discovering all the tricks she can do, is a satisfying payoff to fans who have waited years to see this transformation.

Bella's good at being a vampire. She's faster and stronger than her husband, Edward Cullen (Robert Pattinson). And now that her character doesn't have to be saved all the time, actress Kristen Stewart proves she can act. She even smiles, a rarity in the series.

But with Bella's happiness comes the most complicated plot of the series, one that's packed with top-notch actors like Dakota Fanning and Michael Sheen.

The driving force of the plot is that the Volturi, a coven that enforces all vampire laws, believes that Bella and Edward's child, Renesmee, was bitten, not born. And that's a serious deal-breaker.

Those of us who will never be able to erase the gruesome birth scene in "The Twilight Saga: Breaking Dawn — Part 1" from our memory, however, know Renesmee is biological.

But because no other vampires know the truth, the Cullen family travels the world asking other covens to meet the creepy yet angelic Renesmee and explain the truth to the Volturi.

This leads up to a battle scene that's brutal and fun and shows off a completely new Bella.

It also introduces several new vampires to an already crowded cast. And while there are entertaining performances by the new vampires, specifically Lee Pace as Garrett, it does become overwhelming remembering them all.

Though the werewolves don't have as big a role as they did the last go-round, Taylor Lautner still shows off his chiseled abs and has some of the film's funniest lines.

"Breaking Dawn — Part 2" is the best film in the saga and has an appeal that goes beyond its fan base.

BEHIND THE SCENES REFUGE TOURS

Parker River National Wildlife Refuge will hold "Behind the Scenes" Refuge tours on the following dates: Dec. 1 at 9:30 a.m., Dec. 2 at 1 p.m., Dec. 6 at 1 p.m., Dec. 8 at 9:30 a.m. Dec. 9 at 1 p.m. and Dec. 12 at 9:30 a.m.

The tour will be conducted via refuge van, with several

brief "drive by" stops along the way. It will present an up close and personal look at the refuge through the multiple lenses of the cultural history of Plum Island and the Great Marsh, native wildlife and their habitats and the role of refuge management.

This guided two hour program is most appropriate for older teens and adults. Advance registration is required by calling 978-465-5753. The Refuge is located at 6 Plum Island Turnpike in Newburyport.

GOAL-TENDING, 1ST PERIOD (TEWKSBURY)

"Department Heads ... presented their Goals and Objectives to the Board of Selectmen at their regular meeting," notes the Tewksbury "Town Crier."

"The discussion of department visions is a process encouraged by Town Manager Montuori. The heads and directors of the Library, Community Development, the Council on Aging, Police and Fire, Public Works, the Office of the Town Clerk, and Accounting made presentations, with each stressing the importance of interdepartmental communication and cooperation.

"Steve Sadwick, Director of Community Development, said he will assist the Local Housing Partnership in meeting its goals and objectives. He will also enhance the town's grant award capabilities, implement the green community designation, and develop a framework for permitting with the Department of Public Works. "Chairman David Gay praised his focus on grants.

"I think that's obviously key," he said.

"Diane Giarrusso, the Director of the Public Library, said that she hopes to hire a teen library associate. That age group has not frequented the library as much as she would like. Filling this position, she said, will only strengthen the partnership between the School Department and the Library, which was another of her stated goals.

"She also discussed the utilization of an online class service called 'Ed2go'...."

Interruption (think 'editorial' or 'parent' privilege): How cool is this: <http://www.ed2go.com/>...

Not to worry: Goal-tending, 2nd period will appear in

a future 'About the Towns.'

SCREENING, WEEDING, AND APRIL 1 (READING)

"The Board of Selectmen held a rare meeting ..., and completed the task of populating the new Town Manager Screening Committee," notes the Reading edition of the "Daily Times Chronicle."

"Residents interested in serving on the committee have been filling out application forms in recent weeks..."

"Two members of the public at large were selected - Brenda Sousa and Jacqueline Carson, as well as a member of the Finance Committee (Mark Dockser), a Department Head (Police Chief James Cormier), two Selectmen (Ben Tafoya and James Bonazoli), and Superintendent of Schools John Doherty.

"Other applicants ... considered were: Bill Brown, Michael Giacalone, David Greenfield, Brian Snell, Robert Spadafora, Marsie West, Steven Sadwick, and Andrew Grimes.

"The mission of the Screening Committee is to work with the UMASS Boston Collins Center to screen applicants for the position of Town Manager by determining which applicants should be invited for a confidential preliminary interview with the Screening Committee, conducting preliminary interviews and determining which candidates should be recommended to the Board of Selectmen.

"The current Town Manager, Peter Hechenbleikner, has announced he will be retiring on June 1, 2013.

"Dick Kobayashi, Senior Associate at the Collins Center, put together a pro-

posed schedule for hiring a Town Manager by April 1, 2013."

AND A RIVER RUNS THROUGH IT (WINCHESTER)

"Despite unfavorable recommendations from the Board of Selectmen and Finance Committee, the majority of Town Meeting sided with the proponent, Planning Board, and Conservation Commission and voted an appropriation of \$75,000 to support the development of a design plan for the restoration and rehabilitation of Davidson Park and the section of the Aberjona River running through it," notes the Winchester edition of the "Daily Times Chronicle."

"It's an absolute mess," Planning Board Chairman Lance Grenzeback said. "It's reverting to the mess we tried to get rid of a hundred years ago..."

"My concern," proponent Drew Bottaro said, "is that we're losing Davidson Park

as a park..."

"Bottaro proposed the appropriation to fund a preliminary analysis and design work necessary to develop a plan for the restoration and rehabilitation of Davidson Park. Because the basin is silting rapidly, he said the park is likely to turn to swamp or marsh within three to five years. If it does, he said, drainage in the neighborhood will worsen, the area may become a health hazard, and the town could lose an aesthetic and recreational asset..."

"...The motion to indefinitely postpone failed...Town Meeting members were divided. A voice vote seemed to pass the motion, confirmed by a standing vote of 79 to 60."

"The appropriation is to be taken from Free Cash. By the term of the approved motion, the planning process is to be supervised jointly by the Town Engineer and Town Planner, utilizing an open planning process that incorporates appropriate recommendations and requirements of relevant town boards and committees, as well as public input."

MIDDLESEX EAST SPORTS WEEKLY TRIVIA:

What U.S. stadium hosted the first World Cup game to be held indoors in 1994?

Answer appears elsewhere in this column.

•Senior F Riley Wetmore (Swanton, Vt.) registered a hat trick and **JUNIOR F JOE P E N D E N Z A (WILMINGTON, MASS.)** scored two goals as UMass Lowell defeated UMass, 8-2, in a Hockey East clash at the Mullins Center.

The victory halted a two-game slide for UMass Lowell, which improved to 3-5-1 overall and 2-4-1 in Hockey East.

Wetmore's hat trick is UMass Lowell's first since Dec. 5, 2009, when former standout David Vallorani ('12) scored three in a 5-3 victory over, ironically, UMass at the Tsongas Center on Dec. 5, 2009.

The last time UMass Lowell scored eight goals in a game was Jan. 25, 2011 in an 8-

5 win over Bentley at the Tsongas Center. It was also the most goals scored against the Minutemen in the series between the two teams since a 9-3 win at home on Nov. 28, 1978.

UMass Lowell's output tied a UMass record for goals conceded at the Mullins Center (the River Hawks share the mark with Maine, which won 8-1 over the Minutemen on Feb. 15, 1997).

As UMass Lowell was searching for its first goal in more than 80 minutes, they came in all varieties Sunday night: six goals on even strength, one in a four-on-four, one shorthanded and one on a power play.

UMass Lowell snatched a 3-0 lead in the first period, then scored three goals in a 1:24 window midway through the second period. Wetmore's second goal started the flurry when finished a pass from junior Derek Arnold (Foxboro, Mass.) for a 4-0 lead.

Fifty-three seconds later,

junior Shayne Thompson (Stittsville, Ont.) picked off a UMass defenseman and flicked to sophomore Scott Wilson (Oakville, Ont.) in front, who shoveled past sophomore G Steve Mastalerz.

Wetmore completed the hat trick just 31 seconds later off nice work from Wilson and freshman Michael Fallon (Glenview, Ill.).

•Stonehill College scored twice in the opening minute on its way to a 6-0 first period lead and never looked back in claiming a 9-3 triumph over Assumption College in Northeast-10 Conference ice hockey action at Charles J. Buffone Rink.

Junior forward Bryan Rooney (Canton, Mass./New Hampton School) scored two goals to lead Stonehill who got markers from eight different players and saw 17 skaters notch points on the night. Senior captain Dana Borges (Taunton, Mass./Williston Northampton) dished out three assists, while freshman Dan Graham (Billerica, Mass./Williston Northampton) added a goal and assist. Seniors J.J. Sabin (Milton, Mass./The Tilton School) and Sean McNeil (Canton, Mass./Canton), sophomores Stephen Balsamo (Atkinson, N.H./Brewster Academy) and Kevin Aufiero (Canton, Mass.) and freshmen Robbie Dorgan (Ossining, N.Y.) and Richard Harris (Grand Island, N.Y.) each chipped in with goals for the Skyhawks.

Senior Joe Fimiani (Arlington, Mass./Arlington) led Assumption with a goal and assist, while sophomore Brennen Shaw (Presque Isle, Maine/Brewster Academy) dished out two assists. **JUNIOR MATT CALOS (NORTH READING, MASS./NORTH READING)** and senior Keven Meehan (Melrose, Mass./Austin Prep) each chipped in with a goal apiece.

Sophomore goaltender Chris Tasiopoulos (Norwell, Mass./Thayer Academy) started for Stonehill and posted 20 saves over the first two periods before yielding to freshman Matthew Palella (Chicago, Ill.) who stopped nine shots in the final frame. The Skyhawks finished with a 38-32 edge in shots and went 1-for-5 on the power play, while limiting Assumption to just 1-for-6 with the man advantage.

FRESHMAN TYLER STILLINGS (WILMINGTON, MASS./BROOKS) took the loss between the pipes for

Assumption with four saves over the final 14:18 in the first period after taking over for junior Bobby Bowden (Springfield, Mass./Williston Northampton) who stopped three shots but surrendered three goals over the first 5:42. Freshman Chris Hemhauser (Old Saybrook, N.Y./Worcester Academy) registered 22 saves over the final two periods for the Greyhounds.

Stonehill wasted little time in starting the first period barrage as Aufiero and Rooney both scored in the opening 49-seconds. Freshman Travis Army (Englewood, Colo./Worcester Academy) set up Aufiero's third goal of the season just 37-seconds in. Rooney's first of the night came unassisted just 12 seconds later. Balsamo chased Bowden with his first of the year off a feed from senior Christopher Gorovitz (Framingham, Mass./The Tilton School) at 5:42.

Stonehill wasn't finished in the period as Sabin scored his second of the year on a power play off Borges' first assist of the night, while junior Bill Carey (Weymouth, Mass.) also assisted on the play at 9:29. Dorgan's second of the year, assisted by Borges and junior Andrew Miller (Oxford, Conn./Kent School), put the Skyhawks up five goals at 14:56. Rooney capped the period scoring with his second of the night (6th of the season) from Borges and sophomore Brendan Greene (Weymouth, Mass.) with 54-seconds left in the frame.

Stonehill increased its lead to 8-0 with markers from Harris and Graham 8:43 into the second period. Graham assisted on Harris' fourth of the season at 3:20, along with freshman Thomas DePaolo (Mendham, N.J./Morristown Beard School), before Graham added his first collegiate goal. Assumption got on the board with a pair of goal three minutes apart in the second. Fimiani and Shaw played a role in each Greyhound goal, with both setting up Calos' first of the year at 9:37 before Shaw and freshman Bryan Shea (Middleton, Mass./Brewster Academy) set up Fimiani's opening goal of the year at 12:33.

Each team scored third period goals to wrap up the scoring. McNeil scored his first of the year for Stonehill at 4:16, while Meehan added his third of season for Assumption on the power play at 10:26.

•Need some help with the trivia question? The initials of the name of the stadium are P.S.

•The Stonehill College women's cross country team, making its 13th-straight appearance in the NCAA Division II National Championships, finished 23rd overall out of 32 teams at Missouri Southern State University.

"The women ran a solid race today, they were within 15-seconds of their personal records but the field has just gotten so much more competitive, so all-in-all we just have to readjust for next season," said Stonehill head coach Karen Boen. "I think the women ran really well, the field is just that good. The spread was 52-seconds through our one-through-five and at this level every eight seconds five people cross the line, it's that tight."

SENIOR CAPTAIN CAROLINE MCBRIDE (NORTH READING, MASS./NORTH READING) posted the Skyhawks top finish on the afternoon racing to 83rd overall on the 6-kilometer course in 22:00.4 Junior Chelsea Bishop (Suffield, Conn./Suffield) ranked 98th overall with a time of 22:18.6 while senior captain Kristen Veit (Easthampton, Mass./Holyoke Catholic) placed 150th overall in 22 minutes and 46.4-seconds.

Junior Emily Regan (Hanson, Mass./Whitman-Hanson Regional) and sopho-

more Emily Anderson (Manchester, Conn./Manchester) rounded out Stonehill's top-five with times of 22:49.4 and 22:52.0, respectively. Regan crossed the finish line in 156th overall and Anderson came in at 161st overall.

Junior Sarah Biggers (Cortland Manor, N.Y./Lakeland) ran a time of 23:05.0 to finish 182nd overall and sophomore Brianna Ventura (Taunton, Mass./Coyle & Cassidy) finished 241st overall in 25:05.7.

Mirra from S-1

Second Essex State Rep. District, Consisting of precinct 1, of the town of Georgetown, the town of Groveland, precinct 3 of ward 4, and precincts 1 and 3 of ward 7, of the city of Haverhill, and the towns of Merrimac, Newbury, Rowley and West Newbury, all in the county of Essex.

"She is probably the most conservative Democrat in the legislature," he said. "And this (2nd Essex) does tend to be a conservative district. This district is made up mostly of small towns, instead of cities, which are tougher for a Republican to win."

On Nov. 6, while the GOP was absorbing defeats nationally and state-wide, Mirra was one of the lone beacons for hope among the Republicans. He won the election, with 12,626 votes (52 percent), to Fogel's 11,507 (48 percent).

"It was an exciting campaign," he said. "It's tough for Republicans in this state because we really don't have a strong party apparatus, while the Democrats are very powerful."

"My strategy was go out and knock on as many doors and meet as many people as possible, and I really enjoyed getting out there and listening to their concerns," he added.

Once he gets to Beacon Hill, Mirra says he will bring his message of fiscal conservancy.

"We're looking at financial obligations with Obamacare, there's the impending fiscal cliff in the federal government, and state revenue collections are coming in far less than what was anticipated," said Mirra. "Something's got to give. We can't keep squeezing our taxpayers to support all these programs. We need to look at controlling our spending, and that's what I'm going to focus on once I get to Beacon Hill."

He's already made some informal introductions, including a meeting with Rep. Jay Kaufman, D-Lexington, whose district includes wards 1 and 7 in Woburn.

"He (Kaufman) invited all the incoming freshmen legislators to a reception, and he seems like a very nice person," said Mirra. "He's very friendly."

It would seem unlikely that a veteran Democrat and a newly-elected Republican would form a friendship, but Woburn native Lenny Mirra got to the Statehouse by defying long odds in the first place.

It wasn't easy for Leighton Cheney to leave central Massachusetts, but two things encouraged him. He would be closer to his daughters, and he had loved Longwood Place at Reading on his first visit. The genuine connection between the staff and residents is what Leighton values most. "There's a supportive, comfortable rapport that doesn't happen everywhere." And he has plenty of new partners for Scrabble, cribbage and conversation. Local meteorologist favorite Barry Burbank will be visiting Longwood Place at Reading

Veteran meteorologist Barry Burbank will be visiting Longwood Place at Reading on Wednesday, December 5th at 4:00pm to discuss the local weather patterns, and predict the upcoming winter weather. Burbank is the weekend evening and substitute forecaster for the WBZ-TV newscasts.

"We are delighted that Barry will join us and tell us his weather prediction for the upcoming winter months. I will then decide whether to purchase new winter boots," stated Marketing Director for Longwood Place Doug Warren with a laugh. Event is open to the public and hot chocolate and cookies will be served.

Burbank began his career in February 1976 as the weeknight forecaster at WCHS-TV 6 in Portland, Maine. He was Maine's first professional television meteorologist. In March of 1978 he joined WBZ-TV in Boston as weekday morning meteorologist. Beginning in the summer of 2012, Burbank also became a weather forecaster for NESN and the Boston Red Sox.

Over the past three plus decades, Burbank has produced weather forecasts for several New England radio stations. On WBZ NewsRadio 1030, he has provided extra storm coverage for many years and more recently has been delivering midday forecasts there three days a week. Additionally, during severe weather, Burbank is also heard on the Boston family of CBS Radio Stations including MIX 104.1, 98.5 The SportsHub and WZLX.

Longwood Place at Reading, located at 75 Pearl Street, is an assisted living facility of 86 modern apartments staffed by healthcare professionals dedicated to helping senior residents live actively and independently. Recognized by the MA Historical Society for its building preservation, the former Pearl Street School location offers modern living with historic elegance. Great gifts for men and women hoping to get healthier

The holidays are synonymous with many things, including get-togethers with family and friends, shopping and, at the tail end of the season, resolutions. One of the more common New Year's resolutions is a commitment to getting healthier. This year, holiday shoppers can combine the tradition of gift-giving with the tradition of making New Year's resolutions by giving a loved one who wants to improve personal health a gift that can make keeping that resolution that much easier.

When holiday shopping this season, consider the following gift ideas for that health-conscious friend or family member who's looking to turn over a new leaf in the new year by adopting a healthier lifestyle.

*** Gym membership:** Fitness centers tend to see a spike in enrollment at the dawn of a new year, as men and women who want to get healthier take the first step by signing up for a gym

membership. The holiday season can be a great time to sign up for a membership, as many fitness centers waive their initiation fees in an effort to attract more customers. When trying to help a friend or family member get back on a healthy track, offer to pay a portion of their membership fees or, if their preferred club is charging an initiation fee, offer to pay that instead. Recipients might feel more obligated to go to the gym if they know a loved one helped pay for it.

*** Cardiovascular machine:** Many people cite a lack of time as the primary reason they don't exercise enough. Getting to and from the gym takes time, but having a cardiovascular machine, whether it's an elliptical machine, an exercise bike or a treadmill, at home removes this hurdle, increasing the chances that people will exercise more often. And the potential benefits of routine cardiovascular exercise are considerable. According to the American Heart Association, as little as 30 minutes of daily cardiovascular exercise each day can significantly reduce an individual's risk for heart disease.

*** Bicycle:** Few activities are more enjoyable and simultaneously beneficial as riding a bicycle. Many people still enjoy riding a bike just like they did when they were children, when they might not have known just how healthy riding a bicycle was. Cycling improves cardiovascular fitness, lowering a person's risk for heart disease while helping to build and tone muscles. In addition, men and women with preexisting joint conditions often find riding a bicycle is a great low-impact exercise that

encourages them to get off the couch in a way that doesn't aggravate their conditions. Many adults received a bicycle as a holiday gift when they were children, and those looking

to adopt a healthier lifestyle might be just as excited to receive a bicycle once again.

Look hot without getting burned

Hair dryers and styling irons are the key to creating holiday-worthy hairstyles at home, but don't forget that they are electrical appliances that should be used

with caution to prevent accidents.

CSA Group, a leader in testing and certification, offers the following tips for

safe styling:

*** When choosing a styling device,** look for the CSA Group mark or a similar certification mark showing that it's been tested to the applicable standard for use. Cheap, unmarked alternatives can be missing safety features and may not comply with provincial laws.

*** Don't use a hair dryer near water.** You risk electrocution.

*** Replace the device if the cord is worn or damaged.** It can be unsafe.

*** Style your hair in the same room where the tool is plugged in.** When a cord is run through a doorway, it runs the risk of getting damaged.

*** Unplug the device when finished using it.** Give it time to cool down before leaving it unattended.

*** Whenever possible,** use an outlet with a ground fault circuit interrupter switch that will trip if it senses an electrical leakage issue such as contact with water.

This Week's Sampler: The Shasta

Shasta's floor plan pleases families

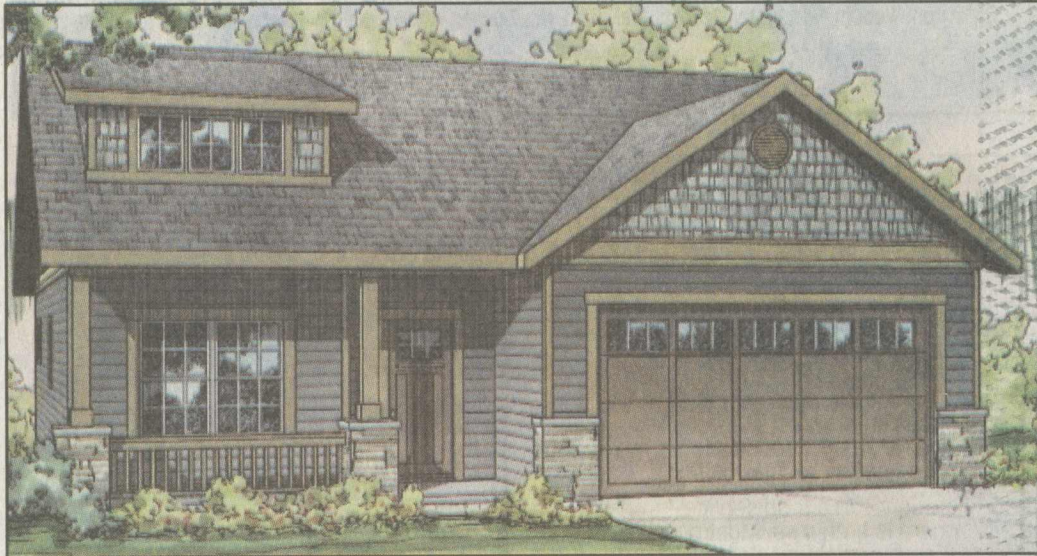

The Shasta's dormers and inviting front porch are among a cluster of Craftsman features that lend nostalgic charm to this one-and-a-half-story country cottage. Multipaned windows, along with cultured stone wainscoting and column supports, boost its appeal.

Inside, the floor plan is fully attuned to the preferences of contemporary families. The gathering spaces are awash with natural light. Windows fill most of the living room's rear wall, next to a gas fireplace. The living room is completely open to a dining room that is windowed on two sides, and open to the kitchen on its fourth side. A mini-bathroom is centrally located.

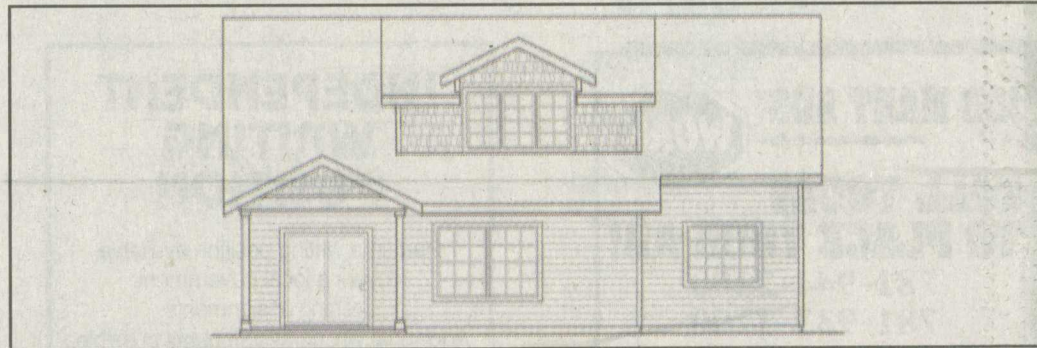

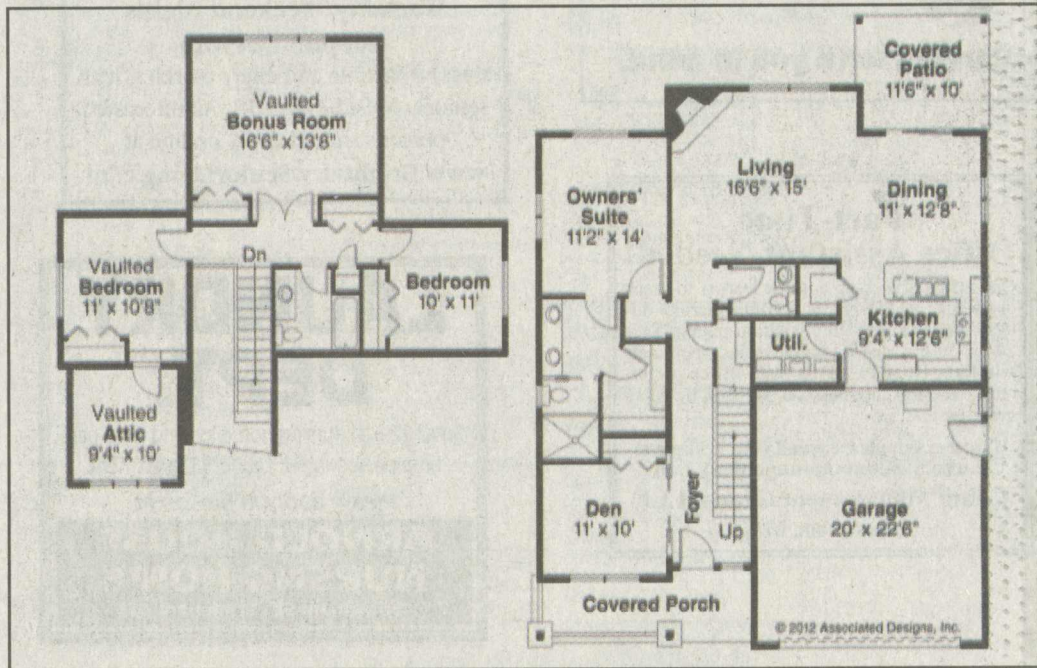

Standing at the kitchen sink, you can look out across the flush eating bar to scan a wide area, easily taking in the dining room, covered patio, and part of the living room. Counter space wraps around three sides of the C-shaped kitchen. Cupboards span two walls, while a generously sized walk-in pantry offers plenty of space for canned goods and other food staples.

Laundry facilities are mere steps away, in a good-sized utility room with built-in cabinets. Direct entry to the garage is equally close, ideal for unloading groceries in the dark or in stormy weather.

The owners' suite and a den/home office fill the left side of the main floor, accessed via a vaulted foyer that runs

IN THIS COUNTRY COTTAGE, the living room is completely open to a dining room that is windowed on two sides, and open to the kitchen on its fourth side. Laundry facilities are mere steps away, in a good-sized utility room with built-in cabinets. The owners' suite and a den/home office fill out the left side of the ground floor; bedrooms and bonus rooms are upstairs.
